## LESSON 1: Noah and the flood

*Building the Ark*

**READ:**  
Genesis 6: 5-22

**KEY VERSE:**  
Genesis 6: 6

Do you have rules at school or at home? Often we don't like rules, but they are usually made for our safety and for the good of everyone. When we disobey rules we can expect to be punished. The Bible says that God is love. He is also holy and just, so He must punish those who disobey His rules. The story of Noah shows what happened to people when they disobeyed God and went their own way.

**HOLY** means 'being perfect'  
and **JUST** means 'being fair'.

**Q:** What were most people like in Noah's day? Circle the three correct words.

wicked

violent

loving

☐ /1

**Q:** God gave Noah exact measurements and plans for the Ark. Write the measurements in the boxes on the drawing.

☐ /3

**Q:** How was God going to destroy everything on the earth?

☐ /2

God had to punish the world because people had turned away from Him and were disobeying His rules. **Noah and his family were saved because they trusted God.**

Noah was a hundred miles from the sea. Yet here he was, building a huge boat in the middle of dry land, because God had told him to do so.

It is because God is holy and just that He destroyed everything. He is also loving. That's why He told Noah to build the Ark so that he and his family could be saved. Noah trusted and believed God. That is faith. The Bible says that we all deserve to be punished for our sin but God is ready to save us, when we trust in Jesus.

*Have a look at  
Hebrews 11: 7. Noah  
acted in faith!*
