NAME:

**B.E.S.**

This cloud character is based on **Exodus 13: 21-22** and is a symbol of God's presence. He is a source of wisdom throughout the Bibletime stories, as he guides and teaches the character 'Q' about God. He's a gentle, friendly character who encourages us all to study God's Word, the Bible, in a deep and meaningful way.

NAME:

**Q**

Q is an inquisitive and deep thinking character. He has lots of questions and is brave enough to ask them. He looks to his friends B.E.S. and Beam as wise and encouraging mentors, to help him find answers. In so doing, he helps us all to discover an even greater friend, Jesus.

NAME:

**PAUSE**

Pause is a happy, cheerful character. He does not speak but his presence indicates a time to pause, so that we can reflect on what has been discovered up to that point. Pause also reminds us to attempt the activity or questions after careful thought.

NAME:

**BEAM**

This lightbulb character is linked to Psalm 119: 105. He is 'shining his light' for Jesus. Alongside B.E.S., he helps Q and us to understand the Bible as God's instruction manual. He shows us how to live in relationship with God, fellowship with others and as witnesses to the truth of the Gospel.

## **GENERAL INFORMATION**

### **What Bible Educational Services does:**

Bible Educational Services (BES) publishes Bibletime, Bibletime Going Deeper and Gleaners Bible lessons in English, and supports Postal Bible Schools and similar organisations using BES lessons in the UK and overseas. We do this by visiting, networking, advising and training. BES is also currently working in partnership with groups in other countries who are involved in translation, design, publishing and distribution of lessons.

### **Lessons must be provided free of charge to all students.**

Bibletime lessons were first used in Southern Ireland over 60 years ago. Bible Educational Services maintains editorial responsibility for Bibletime Lessons in English and all foreign languages. Bibletime lessons have been normally published in an A4 format which enables students in some areas, every four weeks, to send the lessons back to a Postal Bible School Centre for marking. More recently, lessons for six months have been published in an A4 format, which has made usage in Churches and Schools much easier, especially where there is no effective postal system. Revival Movement Association, print the 6-month booklet in an A5 version to send internationally.

The BES lessons are unique in that they are prepared with home or group (Church / School) study in mind. They follow a planned syllabus which allows students to continue studying for up to 20 years. Five levels of lessons are available for specific age groups, Pre-school, 5-7's, 8-10's, 11-13's, 14-16's. There is a three-year syllabus for each age group. The age groups may vary according to different levels of ability. The Bibletime resources allow children the opportunity to study the Bible and reflect on its relevance in the lives of people today.

Printed copies of the lessons are available in English from the BES website [www.besweb.com](http://www.besweb.com) or the BES Office in Enniskillen. They are also available on the website in other languages. BES has documents which may be helpful to you if you are considering partnering with us, which are also available on the website.

## LESSON PLANS FOR TEACHERS

Teacher Lesson Plans are produced to equip Teachers using Bibletime lessons with suggestions and ideas for classroom study. In this booklet they are designed for use with Levels 0-4.

Each lesson plan follows the same Bible reference as the Bibletime lesson and are designed to be used on a weekly basis. The April lessons are specific to the Easter story and the December lessons are based on the birth of Jesus at Christmas.

Normally the classroom Teacher will work through the monthly A4 lesson each week with the class. They are free to allow time for independent study if this is appropriate. At the end of the month, the Teacher will collect the lesson and do the necessary marking, returning the marked lessons as soon as possible to the pupils.

## PREPARATION FOR TEACHERS

Teachers should feel free to use their own ideas and initiatives when using the Bibletime lessons, adapting them as appropriate to their particular pupils. These are suggestions which may help in the use of this Resource:

- **Be familiar with the story** - Teachers should be as familiar as possible with the Bible Story and also with the Bibletime lesson that accompanies it. Ideally, the Bibletime lesson should be completed by the Teacher before the lesson. The Lesson Plans for each lesson should also be carefully considered as a planning aid for the lessons.
- **Understand the lessons to be learned** - At the top of each lesson plan you will notice the words 'We are learning that', followed by some learning intentions. The children will hopefully have grasped these points after listening to the Teacher's presentation and completing the Bibletime lesson.
- **Introduce It** - With all lessons, we start where the children are with their own experience of the situation. We have suggested various ways that might be used to introduce the story to enable the children to be interactive in discussing the starting point of the story.
- **Teach It** - We have given the Key Points in the story. Teachers should not have to refer to these when actually teaching the story, but they are a useful guide. Aim to teach it in an interesting and inspiring way! Help the children to understand the main points by grasping their attention - use the appropriate tone and ask questions to test their learning.
- **Show It** - We appreciate that in some situations, visuals will be very difficult to obtain but wherever possible it is important to focus on pictures or objects to help in the understanding of the story. In most lessons, we have given information about pictures from [www.freebibleimages.org](http://www.freebibleimages.org) (FBI) which are downloadable from their website. These direct links to the story / study are available in Appendix A, B or C at the back of the booklet.
- **Learn It** - There is a Key Verse attached to each story. Hearing and learning these verses should enable pupils to increase their knowledge of Biblical vocabulary.
- **Complete It** - In a school situation, you will be aware of the abilities of children to complete worksheets and the amount of Teacher support required. For some, it will be a requirement that the Teacher reads over the text of the lesson as the children follow what is now a familiar narrative. Other children may be able to read the text independently. Whatever the approach, try to make the lesson enjoyable, and remember to praise the pupils' efforts.
- **Review It** - We have suggested possible quizzes, games, art and drama to assist learning, and as a means of revising the story.
- **Live It** - This section carries the heading 'How does the lesson challenge Christians today?' and also some suggestions for possible group work and individual responses to the challenge of the lesson.

**B7 Story 1**  
**Joseph's brothers arrive**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• Joseph's dreams about his brothers became true.</li> <li>• The wrong things we do catch up with us sooner or later.</li> </ul> <p><b>Key Verse: Galatians 6: 7</b> <b>Bible Passage: Genesis 42: 1-26</b></p>
<b>INTRODUCE IT</b>	<p>Ask the pupils to discuss in pairs Joseph's story up to this point. Try to recall the good and the bad things that have happened so far. Summarise by saying that things have worked out very well for Joseph despite how his brothers treated him. But how are his brothers doing back in the land of Canaan? Remind the pupils of the B6 Story 2 Key Verse from <b>Numbers 32: 23</b>, 'Be sure your sin will find you out.'</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Back in the land of Canaan there was a famine and people did not have food to eat. Jacob had heard that there was plenty of food stored up in Egypt. He told Joseph's brothers to go down to Egypt to buy some food for the family. Ten brothers went except Joseph's younger brother, Benjamin (<b>Genesis 42: 1- 5</b>).</li> <li>• In Egypt, Joseph was in charge of selling the food. When his brothers arrived, they all came and bowed down to Joseph, the Governor of Egypt! (<b>Genesis 42: 6-7</b>)</li> <li>• Remind the pupils of the dreams Joseph had about his brothers before they sold him. Now his dreams were being fulfilled.</li> <li>• Joseph pretended that he didn't know his brothers and they did not recognise him. He treated them like strangers and said, 'You are spies! You have come to spy out the land!' The brothers told him that this was not true, that they were all honest men. They told him that they had a brother who was 'no more' and a younger brother back at home. To test whether they were telling the truth, Joseph asked them to go back to Canaan and bring back their younger brother with them. To make sure they came back he kept one of the brothers, Simeon, in prison (<b>Genesis 42: 8-20</b>).</li> <li>• The brothers were worried and discussed what was happening among themselves. They knew that they had done wrong to Joseph all those years ago. Explain that they were guilty, and their sins had caught up with them.</li> <li>• They were sure that God was punishing them for how they had treated Joseph. Joseph overheard what they were saying. He had to turn away and cry (<b>Genesis 42: 21-24</b>).</li> <li>• Joseph ordered his men to fill his brothers' sacks with grain. He had their money put back into their sacks and gave them food for the journey. The brothers loaded their donkeys and left to go back to their father (<b>Genesis 42: 25-26</b>).</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A - Joseph's brothers arrive.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>Galatians 6: 7</b>. Remind the pupils that doing wrong leads to trouble. The Bible says it's like sowing seeds and then, one day, gathering a crop of exactly what we sowed.</p>
<b>REMEMBER IT</b>	<p>Ask pupils the following questions as a means of revising the story.</p> <ul style="list-style-type: none"> <li>• Why did the brothers have to come to Egypt?</li> <li>• Who was selling the grain in Egypt?</li> <li>• Did Joseph's brothers recognise him?</li> <li>• What did Joseph accuse his brothers of being?</li> <li>• Who did Joseph want them to bring to Egypt?</li> <li>• Which brother was kept in prison?</li> <li>• Why did the brothers think all of this was happening to them?</li> </ul>

**B7 Story 2**  
**Benjamin and bad news**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• Joseph still loved his brothers despite how they had treated him.</li> <li>• The Bible teaches that God loves each of us and wants to forgive us for the wrong things we have done.</li> </ul> <p><b>Key Verse:</b>       <b>Ephesians 4: 32</b>  <b>Bible Passage:</b>   <b>Genesis 43-44 (Levels 0 &amp; 1)</b>  <b>Genesis 42: 27-38; 43:1-34; 44: 13 (Level 2)</b></p>
<b>INTRODUCE IT</b>	<p>Ask the pupils to imagine the scene: you are one of the brothers on the way home to Canaan from Egypt. You have enough food to feed your families now! How are you feeling? Imagine opening your sack and finding not only the grain but also the money you used to pay for it! Who put it there? Was it a trap? Would the Governor in Egypt think you had stolen it? How could you ever go back to Egypt for more food?</p> <p>Alternatively, gather some props (sack, food and money) and ask for volunteers to act out the sequence of events.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• The brothers loaded their donkeys and journeyed home. On the way, one of them discovered that the money they had used to pay for the grain had been put back into their sacks. They were very afraid! <b>(Genesis 42: 26-28)</b></li> <li>• When they arrived home, they told their father what had happened. They told him that the Governor of Egypt had accused them of being spies. He wanted them to bring Benjamin to him. When Jacob heard this and saw that their money was still in their sacks, he was afraid <b>(Genesis 42: 29-38)</b>. Do you think Jacob will let Benjamin go down to Egypt?</li> <li>• As time passed, the famine grew worse. Jacob's family was hungry again. He asked the brothers to go back to Egypt to buy more grain. Judah told him that they couldn't go unless they had Benjamin with them. He told his father that he would take responsibility for keeping Benjamin safe. There was nothing Jacob could do. They needed food to eat. He agreed to let Benjamin go down to Egypt. He told the brothers to take double the amount of money with them and a present for the Governor <b>(Genesis 43: 1-14)</b>. How do you think the brothers were feeling?</li> <li>• The brothers arrived in Egypt and stood before Joseph. When Joseph saw that Benjamin was with them, he asked his servants to prepare a great feast for them in his house. He had Simeon brought out of prison. When Joseph arrived at the feast the brothers bowed down to him again. Remind the pupils of Joseph's dreams. He asked them how their father was doing and spoke with Benjamin. Joseph was so upset that he had to leave the room. Despite all that had happened to him, he still loved his brothers. Explain that even when we do wrong, the Bible tells us that God still loves us. He will forgive us when we ask Him to.</li> <li>• The next morning the brothers left for Canaan with their sacks full of grain. This time Joseph had arranged for his special silver cup to be put into Benjamin's sack. Joseph sent his men after the brothers to search for the cup. The cup was found in Benjamin's sack! They had to go back to Egypt again! <b>(Genesis 44: 1-13)</b></li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – Benjamin and bad news.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>Ephesians 4: 32</b>. Discuss the word 'forgiveness'. Christians believe that God loves us and is ready to forgive us when we say sorry for what we have done wrong.</p>
<b>REMEMBER IT</b>	<p>Ask pupils the following questions as a means of revising the story.</p> <ul style="list-style-type: none"> <li>• What did the brothers find in their sacks?</li> <li>• Why did Jacob not want Benjamin to go to Egypt?</li> <li>• How did Joseph feel when he saw Benjamin?</li> <li>• How do we know that Joseph still loved his brothers?</li> <li>• In whose sack was the cup found?</li> </ul>

**B7 Story 3**  
**Forgiveness and good news**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• Joseph forgave his brothers for how they had treated him.</li> <li>• The Bible teaches that God is ready to forgive those who are truly sorry.</li> </ul> <p><b>Key Verse: Genesis 45: 8</b>  <b>Bible Passage: Genesis 45: 1-28 (Levels 0 &amp; 1)</b>  <b>Genesis 44: 14 - 45: 28 (Level 2)</b></p>
<b>INTRODUCE IT</b>	<p>Remind the pupils of the visits to Egypt up to this point. The silver cup, belonging to Joseph has been found in Benjamin's sack. The brothers return to Egypt with heavy hearts. What would the governor do? Would Benjamin be put to death or be forced to stay as a servant? What would happen to their father if they went back to Canaan without Benjamin?</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• The brothers arrived back at Joseph's house. He pretended to be very angry with them for taking his silver cup. Judah spoke up. He knew that this terrible situation had happened because they were guilty men. Explain the term 'guilty'. The brothers offered to become Joseph's servants. However, Joseph said that the man whose sack had contained the cup, would stay behind as his servant. Benjamin would have to stay behind! <b>(Genesis 44: 14-17)</b></li> <li>• Judah spoke to Joseph again. He told Joseph that if Benjamin did not come home, his father would die of grief. Judah offered to stay behind in Benjamin's place <b>(Genesis 44: 18-34)</b>. Discuss how the brothers' hearts/attitudes had changed. The brother whose idea it had been to sell Joseph into slavery was now offering to become a slave himself! Joseph could see that his brothers cared for each other and their father.</li> <li>• Joseph knew the time had come to tell his brothers who he really was. He asked everyone except his brothers to leave the room and then he said, 'I am Joseph.' His brothers at first were worried. Would Joseph want to get revenge? However, Joseph assured them that this had all been part of God's plan from the beginning. God had sent Joseph before them to Egypt so that he would be there to save their lives during the time of famine <b>(Genesis 45: 1-8)</b>.          Discuss the fact that Joseph forgave his brothers. Make the point that the Bible teaches that God is ready to forgive. However, like Judah in the story, we have to recognise that we are guilty and show that we are sorry.</li> <li>• Joseph knew that there were still five more years of famine to come. He wanted to keep his family safe. He told his brothers to go home and tell their father what had happened. Then they were to pack all their belongings and come to live in Egypt <b>(Genesis: 45: 9-48)</b>.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – Forgiveness and good news.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>Genesis 45: 8</b>. (Possibly use only the first part of the verse). Remind the pupils that the events in Joseph's life had been part of God's plan to rescue Jacob's family during the time of famine.</p>
<b>REMEMBER IT</b>	<p>Ask pupils the following questions as a means of revising the story.</p> <ul style="list-style-type: none"> <li>• What was found in Benjamin's sack?</li> <li>• Who did Joseph want to stay behind as his servant?</li> <li>• Who offered to stay instead of Benjamin?</li> <li>• What would happen to Jacob if Benjamin did not return home?</li> <li>• How did Joseph know that his brothers had changed?</li> <li>• Did Joseph forgive his brothers?</li> <li>• What does the Bible teach about God's forgiveness?</li> </ul>

**B7 Story 4**  
**Together in Egypt**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• Joseph was reunited with his father, Jacob.</li> <li>• Christians believe that God can bring good out of bad situations.</li> </ul> <p><b>Key Verse: Genesis 50: 20</b> <b>Bible Passage: Genesis 46: 1-34</b></p>
<b>INTRODUCE IT</b>	<p>Ask the pupils if any of them have ever moved to a new house. Have any of them had to move to another country? What a busy time it is packing up all your belongings! Ask the pupils how it made them feel. Were they worried/excited?</p> <p>Remind them that in today's story, Jacob and all his family are moving to the land of Goshen, in Egypt.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Jacob (Israel) and all his family packed their belongings. They gathered their livestock and set off on the journey to Egypt. On the way, they came to a place called Beersheba where they stopped to offer sacrifices to God. They were so thankful for how God was looking after them! <b>(Genesis 46: 1)</b></li> <li>• God spoke to Jacob in a dream. He told Jacob not to be afraid about going to live in Egypt. In Egypt, God was going to bless Jacob and make his family a great nation. He promised that He would be with him <b>(Genesis 46: 2-4)</b>. Explain to the pupils that the Bible teaches God always keeps His promises.</li> <li>• Jacob and his family moved on from Beersheba and came to Egypt. Altogether there were 70 of Jacob's family in Egypt now! <b>(Genesis 46: 5-27)</b></li> <li>• When they all arrived in the land of Goshen, Joseph came to meet them. He was overjoyed to see his father after all these years. He threw his arms around him and cried for a long time. King Pharaoh heard that they had come. He made them welcome and allowed them to live together in the land of Goshen <b>(Genesis 46: 28-34)</b>.</li> <li>• Discuss this happy ending with the pupils. Explain that Christians try to trust God in the good times and in the bad times, just like Joseph did. The Bible tells us God has a plan for our lives.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – Together in Egypt.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>Genesis 50: 20</b>. Use this verse to sum up the whole story. How did the brothers try to hurt Joseph? How did God turn this into a good situation? Explain to the pupils that Christians believe God is in control of our lives.</p>
<b>REMEMBER IT</b>	<p>Ask pupils the following questions as a means of revising the story.</p> <ul style="list-style-type: none"> <li>• Where was Jacob's family moving to?</li> <li>• Where did they stop to offer sacrifices?</li> <li>• What promises did God make to Jacob?</li> <li>• Who came to meet them when they arrived in Goshen?</li> <li>• How many of Jacob's family were living in Egypt now?</li> <li>• This story had a very sad beginning. How did God change it, so it had a happy ending?</li> </ul>

**B8 Story 1**  
**People Jesus met: a sick lady**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• The Bible teaches that Jesus has the power to heal people.</li> <li>• Christians believe that Jesus shows compassion to those who are hurting.</li> </ul> <p><b>Key Verse:</b>       <b>Acts 10: 38</b>  <b>Bible Passage:</b>   <b>Luke 4: 38-39 (Level 0)</b>  <b>Luke 4: 38-44 (Levels 1 &amp; 2)</b></p>
<b>INTRODUCE IT</b>	<p>Ask the pupils to stand up and do the following physical activities “on the spot” - e.g. jump, jog, sprint, hop, march, use arms to punch the air in front, etc. Be sensitive towards any pupils who would be unable to participate in this introduction.</p> <p>At the end, explain to the pupils that the reason they could enjoy this and take part was because they are fit and well. It isn't fun when we are feeling ill and need to stay in bed. At the time of Jesus, there were many sick people but no doctors or medicines to help.</p> <p>As an alternative, talk about what it would be like to be a doctor today– knowing about lots of illnesses, prescribing medicine, being very busy, sometimes able to help, but sometimes not. Explain that in today's story we are going to learn about the power Jesus had to heal people.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Jesus had been in the synagogue (the building where the Jews met to learn about God) teaching the people. He had also healed a man. Now it was time to visit Simon's house with some of the other disciples. But there was a problem. Simon's mother in law (explain what this means) was very ill with a high temperature. Explain how this would have made her feel – very hot and sore all over. Simon and the others knew that Jesus would be able to heal her, so they asked Jesus to help (<b>Luke 4: 38</b>). Why did they think Jesus could help?</li> <li>• Jesus was willing to help. He instantly healed the woman and she got up and started to serve the food. It was as if there had never been anything wrong with her! Ask the pupils to think of some of the things the people might have said to each other.</li> <li>• That evening as the sun was setting, many people brought others who had illnesses and problems to Jesus. Reflect on the kinds of people who might have been there and why they had come. How might Jesus have been feeling at the end of the day? Despite how late it was, Jesus still had time for everyone. He laid His hands on each one. No-one left without being healed. Again, explore the people's reactions (<b>Luke 4: 40</b>).</li> <li>• The next morning, Jesus found a quiet place where He could pray with His Father. But still the people came looking for Him! They knew about His wonderful power (<b>Luke 4: 42</b>).</li> <li>• Explain to the pupils that Christians today believe that Jesus still cares and wants to help people.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – People Jesus met: a sick lady.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>Acts 10: 38</b>. Select as much of this verse as your group can manage.</p>

**People Jesus met: a man with leprosy**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• Jesus showed His love by healing the man who had leprosy.</li> <li>• The Bible teaches that we should be willing to reach out to others in the same way Jesus did.</li> </ul> <p><b>Key Verse:</b>        <b>Luke 7: 22</b> <b>Bible Passage:</b>   <b>Luke 5: 12-16</b></p>
<b>INTRODUCE IT</b>	<p>Ask the pupils about infectious illnesses which they may have experienced, e.g. chicken pox, measles, coronavirus. Talk about having to stay away from others and maybe missing something exciting. Explain that in Jesus' time, leprosy was a common skin disease which spread from one person to another. People who caught it could no longer live with their families or go to work. There was no cure!</p> <p>Encourage the pupils to be grateful for whatever level of healthcare is available – if appropriate they could express this by writing a Christian prayer.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• One day, a man with very bad leprosy came over to Jesus. He fell to his knees in front of Jesus and pleaded for help. He said, "Lord, if you are willing, you can make me clean." This showed that the man knew that Jesus had the power to make him clean if He was willing to do it (<b>Luke 5: 12</b>).</li> <li>• Of course, Jesus wanted to help the man. He loved Him very much and knew how much he needed help. Then Jesus did a wonderful thing. He reached out His hand and actually touched the man and said, "I <u>am</u> willing. Be clean!" Jesus didn't get leprosy from touching the man but instead the man was immediately better. Describe how his skin was smooth and healthy; also reflect on the man's amazement and gratitude (<b>Luke 5: 13</b>). This was another miracle. Jesus had once again shown His great power over illness and to change people's lives.</li> <li>• The Bible teaches that Jesus loves us despite the wrong things we have done. If we are willing, He can forgive us and make us clean from our sin.</li> <li>• After Jesus had healed the man, He told him to go to the priest to show that he was healed. How would his life be different from now on? The man would never forget the day he met Jesus (<b>Luke 5: 14</b>).</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – People Jesus met: a man with leprosy.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>Luke 7: 22</b>. This verse lists six ways in which Jesus changes people's lives. Getting it all in order could be a challenge – try using a simple mime for each phrase e.g. blind = point to the eyes, the lame walk = walk on the spot, those who have leprosy = touch skin on palm of hands. Alternatively, divide it up into phrases for different groups to say if it's too long. Level 2 children could try to give specific examples of people Jesus healed from each category.</p>
<b>REMEMBER IT</b>	<p>Use these True/False statements for a quiz.</p> <ul style="list-style-type: none"> <li>• Leprosy is an infectious disease.</li> <li>• The man was only allowed to be with his family.</li> <li>• He fell on his knees before Jesus.</li> <li>• The man wasn't sure if Jesus could make him better.</li> <li>• Jesus touched him.</li> <li>• Jesus was able to heal him because He is the Son of God.</li> <li>• He got better after a few minutes.</li> <li>• He had to go and show himself to the priest.</li> <li>• All of us have a disease called sin.</li> <li>• The Bible teaches that Jesus loves us and is willing to forgive our sin.</li> </ul>

**People Jesus met: a helpless man**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• Jesus had the power to heal a paralysed man and to forgive his sins.</li> <li>• Christians have asked God to forgive their sins and are thankful to Jesus for dying on the cross in their place.</li> </ul> <p><b>Key Verse:</b>        <b>Luke 5: 24</b> <b>Bible Passage:</b> <b>Luke 5: 17-26</b></p>
<b>INTRODUCE IT</b>	<p>Ask the pupils to suggest things they might do to help a friend in school or at home. In today's story, four friends carried their friend who could not walk to Jesus. If possible, have a mat as a visual aid to explain how they would have done this. Why did they bring him to Jesus? They knew that He had the power to heal their friend.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Getting to Jesus, however, wasn't as easy as they expected. Lots of people had already crowded into the house to listen to Jesus. Christians believe that it is important for us too to want to listen to Jesus' words.</li> <li>• It was impossible to get through the door, so they carried the man up the steps at the side of the house onto the roof. They weren't going to give up easily because they knew that Jesus was the only one who could help! Ask the pupils to imagine what it must have been like for the people standing in the house below as a hole appeared in the roof and the man was carefully lowered down in front of Jesus' feet <b>(Luke 5: 18-19)</b>.</li> <li>• How would Jesus heal the man? Ask the pupils to recall how He healed in the stories of Simon Peter's mother-in-law and the leper. In today's story, Jesus spoke to the man and said, "Friend your sins are forgiven." Some of the people who were in the house were angry. They did not believe Jesus could forgive sins. They thought that only God could forgive sins and they did not believe that Jesus was God's Son. Jesus knew what they were thinking. The Bible teaches that He knows our thoughts too! <b>(Luke 5: 20-24)</b></li> <li>• Jesus wanted to prove to them that He really had forgiven the man's sins even though they couldn't see into the man's life! He told the helpless man to get up, take his mat and go home. Immediately he did this and off he went, praising God! Everyone was amazed. Jesus' power could not only heal the man's legs, but He could also forgive sins! No one else had power like this! <b>(Luke 5: 24-26)</b></li> <li>• Review the idea of sin – what it is, how the Bible teaches that it spoils our relationship with God and will keep us out of Heaven. Christians believe that Jesus has the power to forgive our sins because He had no sins of His own. He was willing to die on the cross to take the punishment for our sin. Christians have recognised their need to be truly sorry for their sin and continually thank Jesus for providing a way for them to be forgiven.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – People Jesus met: a helpless man.</b></p>

**People Jesus met: Matthew**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• Jesus knew what Matthew's life was like, but He still wanted him to follow Him.</li> <li>• Christians believe that following Jesus is the most important decision a person can make.</li> </ul> <p><b>Key Verse:</b>       <b>Luke 5: 32</b>  <b>Bible Passage:</b>   <b>Luke 5: 27-32</b></p>
<b>INTRODUCE IT</b>	<p>Have a discussion with the pupils about the kinds of jobs they would like to do when they grow up. Evaluate what would be good about doing these jobs.</p> <p><b>Or</b></p> <p>Act out some simple mimes of jobs common in your society for the pupils to guess what they are.</p> <p>Explain that today's story is about a man called Matthew (Levi) who was a tax collector. He sat at the roadside and collected the taxes from the people to pass on to the Romans who were in charge of the country. You may wish to refer to the fact that we still pay taxes today and what they are used for.</p> <p>Unfortunately, tax-collectors like Matthew were disliked, not just because they worked for the enemy (the Romans) but also because they sometimes took more money than they should and kept it for themselves.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• One day Jesus noticed Matthew doing his job. Discuss what Jesus might have thought about Matthew - Did He know the kind of man Matthew was? Christians would say of course! ...He knows everything about each one of us. Would Jesus want to have anything to do with Matthew? Yes! Matthew was exactly the kind of person Jesus came to help - He could change Matthew's life! So He stopped beside Matthew and said, "Follow me" (<b>Luke 5: 27</b>). What would Matthew do? Present the choice that Matthew had to make.</li> <li>• Matthew knew immediately what he wanted to do. He would follow Jesus! How amazing that Jesus had invited him! He got up, left everything and went with Jesus (<b>Luke 5: 28</b>). Christians believe that Jesus gives each of us an invitation to follow Him and have Him in our life. We too need to make a choice.</li> <li>• Matthew wanted his friends to meet Jesus and let them know how his life had been changed. So he invited them along with Jesus and His disciples, to a dinner in his house. Some people who were there thought that Jesus was wrong to mix with Matthew and his friends. They thought that Jesus should only spend time with good people rather than sinners. They didn't realise that everyone is a sinner. Jesus explained to them why He had come to earth – not for people who thought their lives were good enough but for those who knew they had sinned and wanted to be sorry for their sins (<b>Luke 5: 29-32</b>). The Bible teaches that Jesus does not like sin, but He loves sinners like Matthew and us! Following Him means trusting Him for forgiveness and living a life based on the Bible's teaching.</li> <li>• Later on, God chose Matthew to do a very important job. He wrote the first book of the New Testament. The day he decided to follow Jesus and let Him deal with the wrong things in his life, resulted in an amazing transformation.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – People Jesus met: Matthew.</b></p>

**Moses' birth**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• The Bible tells us that God cared for Moses and He cares for us too.</li> <li>• God had a plan for Moses' life – Christians believe He has a plan for us too.</li> </ul> <p><b>Key Verse:</b>       <b>Hebrews 11: 23</b>  <b>Bible Passage:</b>   <b>Level 0&amp;1: Exodus 2: 1-10</b>                                  <b>Level 2: Exodus 1&amp;2</b></p>
<b>INTRODUCE IT</b>	<p>Christians believe that the families we are born into and the things that happen to us are not random – rather, God uses them to prepare us to serve Him. In these stories, we are going to learn about Moses. God had a very important job for Moses to do when he grew up. Today we will learn about how God looked after Moses as a child. The story of Moses is found in the second book of the Bible. Ask if anyone knows the name of this book (Exodus) and show them where it is found. Alternatively, if you are introducing this story to Level 1 children, you could talk about new babies and possibly have some items which they need to keep them safe and content.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Briefly explain the background to the Israelites (Hebrews) being slaves – (<b>Exodus 1: 1-11</b>). King Pharaoh became so desperate to stop the Israelites increasing in number that he decided to drown all the Israelite baby boys in the River Nile (<b>Exodus 1: 22</b>). How would an Israelite mum and dad have felt if they had just had a new baby boy?</li> <li>• In one home, a beautiful healthy baby boy was born. His parents hid him in the house, trusting God to keep him safe. But after three months, they could no longer hide him. Why not? His mother made a waterproof basket from bulrushes / papyrus reeds, put the baby inside and hid the basket in the tall reeds at the edge of the river. Miriam, the baby's sister was left to watch what would happen, but only God could keep the baby safe (<b>Exodus 2: 1-4</b>).</li> <li>• Tell the next part of the story dramatically – describe how Miriam notices the princess (Pharaoh's daughter) and her helpers coming along. Will she notice the baby? Will she tell the King? Yes, the princess spotted the basket and asked her helper to bring it to her. Describe her response on seeing the Hebrew baby inside. The princess would not let him be harmed! God was at work in keeping the baby safe! (<b>Exodus 2: 5-6</b>)</li> <li>• Then Miriam stepped forward and offered to find a nurse for the baby. Who would she get? The princess agreed and Miriam ran off to find her own mother! So, the baby's mother was able to look after him at home in complete safety because the princess agreed to it. Later on, when the baby had grown into a boy, the princess took him to live in Pharaoh's palace. She adopted him as her own son and called him Moses, which means "taken out of the water" (<b>Exodus 2: 7-10</b>). Now Moses had become a prince of Egypt!</li> <li>• Christians believe that God was behind all that happened. According to Pharaoh's law, the baby should have drowned. Moses' parents had faith in God – they trusted God to look after their baby and He did. This was just the beginning of God's plan being worked out. Christians today trust God to work out His plan in their lives too.</li> </ul> <p><b>Complete the Bibletime lesson.</b>  <b>Show it: see FBI links in Appendix A – The birth of Moses.</b></p>

**Moses' big mistake**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• Moses made a mistake when he acted too quickly in anger.</li> <li>• The Bible teaches that God knows about everything we do, say, or think.</li> </ul> <p><b>Key Verse: Exodus 2: 11-15</b> <b>Bible Passage: Numbers 32: 23</b></p>
<b>INTRODUCE IT</b>	<p>Sometimes we think we know best. Choose an example of something that a child might be shown how to do by an adult, but the child does it his/her own way and it doesn't work out right. Last week we learned about Moses. <i>Ask some questions to recap.</i> Where did Moses go to live when he was a boy? (The Palace). What were his own people called? (Israelites/Hebrews). Remind the pupils that they were slaves and how they were treated cruelly by the Egyptians. In today's story Moses is grown up. Listen carefully to learn about a situation where Moses thought he knew best.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• One day Moses went to visit his own people. Suddenly he noticed one of them being beaten by an Egyptian (<b>Exodus 2: 11-12</b>). How would Moses have felt? (angry, wanting to defend his people). Quickly Moses looked around to see no one was watching and killed the man from Egypt. Then he hid the body in the sand. Moses thought he had done the right thing, but had he? Explain to the pupils that Moses' action was very wrong. Do you think he will get away with what he did? If not, why?</li> <li>• The next day Moses saw two Hebrews fighting. As he asked what was going on, one of the men said, "Who do you think you are to judge us? Are you thinking of killing me, as you did to the Egyptian?" Now Moses knew that he had been seen killing the Egyptian. How would he feel now? (scared that the King would hear!) Soon Pharaoh did hear about what Moses had done and wanted to kill him. Moses had to run for his life to another country called Midian where he worked as a shepherd for a man called Jethro (<b>Exodus 2: 13-15</b>).</li> <li>• The Bible teaches that God also knew about the wrong thing which Moses had done. Christians believe that God sees everything we do, and we cannot hide our wrong actions from him. Even though Moses was a grown-up, he made a mistake and did not do the right thing. He still had much to learn before he was ready to be a leader. Christians today can learn from Moses' mistake by asking God to help them to act in the right way.</li> </ul> <p><b>Complete the Bibletime lesson.</b> <b>Show it: see FBI links in Appendix A – Moses' big mistake.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>Numbers 32: 23</b>. Relate the verse to Moses' mistake. What was Moses' sin? How was he found out? You could also give a specific example of a situation which is relevant to the pupils' experiences.</p>
<b>REMEMBER IT</b>	<p>Use these True or False statements for a quiz:</p> <ul style="list-style-type: none"> <li>• Moses killed an Israelite.</li> <li>• He thought no one saw him.</li> <li>• Another Hebrew man had seen him.</li> <li>• God saw what happened.</li> <li>• Pharaoh put Moses in prison.</li> <li>• Moses still had lots to learn before he was ready to be a leader.</li> </ul>

**Moses sees a burning bush**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• Moses was a reluctant leader, but God promised to help him.</li> <li>• God had forgiven Moses and now He had a special job for Him to do.</li> </ul> <p><b>Key Verse:</b> <b>Exodus 3: 12</b>  <b>Bible Passage:</b> <b>Level 0&amp;1: Exodus 3: 1-10</b>  <b>Level 2: Exodus 3: 1-22</b></p>
<b>INTRODUCE IT</b>	<p>Talk about being asked to do something important and exciting – a responsibility relevant to school life, e.g. help a teacher, deliver a message, speak in Assembly. How did you feel when you were asked to do it? (nervous, wishing someone else had been asked?)</p> <p>Today's story takes place 40 years after Moses' big mistake. Moses had been a shepherd for 40 years in the desert. God had not forgotten him. He was willing to forgive him and now had a very special task for him to do.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Every day was much the same, until one day... Moses noticed a bush on fire! The strange thing was that although there were flames, the leaves and the branches were not being burned up! Moses went closer to have a look and then God said Moses' name. Use the words from the Bible to tell the next part. Explain that "holy ground" meant it was a very special place because God was there. The Bible tells us that God is holy and different from us - He has no sin. Moses took off his sandals and hid his face because he understood God's greatness (<b>Exodus 3: 1-6</b>).</li> <li>• Ask the pupils to recall what life was like for the Israelites in Egypt. God told Moses that He knew all the bad things that had been happening and now He was going to bring them out of Egypt to a new country. God wanted Moses to be their leader and go to speak to King Pharaoh. Explore how Moses might have felt about going back to Pharaoh (<b>Exodus 3: 7-10</b>). Read on to see how Moses felt about being a leader. Then discuss his objections and God's counter-objections as given in the Bible text and in the speech bubbles in the Level 2 lesson.</li> <li>• I'm not important enough – I will be with you (<b>3: 11, 12</b>). I don't know your name – My name is I AM (this name shows God is all-powerful). I am the God of your fathers, the God of Abraham (<b>3: 13-15</b>). They won't believe me – I will give you miracles to prove my power (<b>4: 1-9</b>). I won't be able to say the right words – I will help you speak and teach you what to say (<b>4: 10-12</b>). Please send someone else (<b>4: 13</b>) – Aaron will be your helper and you can tell him what to say.  Was Moses the kind of person you would expect to be a leader? Do you think God was pleased with his excuses? But despite the mistake he had made back in Egypt and all his excuses, he was God's choice. In our next story, we will learn how Moses was finally ready to obey and God was able to continue to work out His plan in his life. Moses would have to rely on God for all that lay ahead.</li> <li>• Christians try to remember that when God asks them to do things that seem difficult, He is with them and will help them.</li> </ul> <p><b>Complete the Bibletime lesson.</b>  <b>Show it: see FBI links in Appendix A - Moses sees a burning bush.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>Exodus 3: 12a</b>. This is a short verse after a long story. The pupils might like to use it to create a bookmark. A larger group could make a collage with each child decorating or sticking bits of paper on to a letter.</p>
<b>REMEMBER IT</b>	<ul style="list-style-type: none"> <li>• What was strange about the bush which Moses saw?</li> <li>• What did Moses do when he was on holy ground?</li> <li>• What does holy mean?</li> <li>• What job did God want Moses to do?</li> <li>• Give an excuse which Moses made about himself.</li> <li>• What excuse did Moses make about God?</li> <li>• Who did God allow Moses to take with him?</li> <li>• God did not give up on Moses. **Moses brings God's message**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• Moses was finally obedient to what God asked him to do.</li> <li>• God worked out His plan in Moses' life by keeping the promises He had made to him.</li> </ul> <p><b>Key Verse:</b>       <b>Exodus 4: 15</b>  <b>Bible Passage:</b>   <b>Level 0&amp;1: Exodus 3: 11-22 &amp; 4: 1-5</b>  <b>Level 2: Exodus 4: 1-20</b></p>
<b>INTRODUCE IT</b>	<p>Talk about important changes in our lives – e.g. moving to a new house, moving to secondary school, getting married. Moses had a lot of changes in his life – recall his first months as a baby, then living in Pharaoh's palace until he was 40, followed by his life in the desert for another 40 years. It would be useful to put pictures of these events on a timeline of Moses' life and display this on the classroom wall. Now Moses was facing the biggest challenge in his life. What had God asked him to do?</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Moses now had a wife and two sons in the land of Midian. He asked his father-in-law, Jethro, if he could go back to Egypt. Jethro agreed and Moses set out along with his wife and his sons who rode on a donkey. Moses also brought with him his special rod that God had told him to use. God told Moses that the men who had wanted to kill him when he was last in Egypt were no longer alive (<b>Exodus 4: 18-20</b>). God was helping Moses not to be afraid. Already God was keeping His promise to Moses. Can you remember the Key Verse from the last lesson? (<b>Exodus 3: 12</b>)</li> <li>• Then God kept another promise He had made to Moses. While Moses was still on his journey, his brother Aaron came and met him. Why was Aaron going to be with Moses? Moses told Aaron all that God had told him, including the signs he had been given to do with his rod (<b>Exodus 4: 27, 28</b>). Christians believe that God can always be counted on to keep his promises.</li> <li>• When they arrived in Egypt, Moses and Aaron met with the leaders of the Israelites and told them God's plans. Then all the people came together, and Moses showed them the miracles God had given him to do with his rod. Moses threw the rod on the ground and it became a snake and then when he took hold of the snake's tail it became a rod again. After this he put his hand inside his cloak and when he brought it out it was covered with leprosy (an infectious skin disease) but when he put it in a second time it was healed (<b>Exodus 4: 6-9</b>). When the people saw these wonderful things, they could see God's power, and understood that Moses had really been sent by God. How do you think the people felt? (amazed/so happy that God was going to rescue them from being slaves) (<b>Exodus 4: 29-31</b>).</li> <li>• Moses must have been excited to see God prepare the way for him as he came back to Egypt. Review those in this story who enabled God's plan to move forward – Jethro, Aaron, the leaders and the people. Who did Moses and Aaron still have to present the plan to? Emphasise that although it wasn't going to be easy, they could still rely on God to work things out. He was in control!</li> </ul> <p><b>Complete the Bibletime lesson.</b>  <b>Show it: see FBI links in Appendix A - Moses brings God's message.</b></p>

<b>INTRODUCE IT</b>	Discuss with the pupils the importance of obeying school rules/rules in society and the consequences of disobedience. It might be useful to review B9 Story 4 with a few questions to link to today's content.
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Now the time had come for Moses and Aaron to ask Pharaoh to let the Israelites leave Egypt so they could worship God in the desert. Ask the pupils to predict his response. Explain his refusal and the outcome which made things worse than before. Help the pupils to see that Pharaoh was disobeying God. What would you have thought about Moses if you'd been an Israelite? (Angry with him for making Pharaoh work them harder - see <b>Exodus 5: 1-21</b>) Moses could not understand why God had allowed this to happen. He asked God about it. God made them a promise that He would show His mighty power and although Pharaoh initially would not obey, he would eventually do what God asked. Remind the pupils that we make promises and forget them, or can't keep them, but Christians believe that God's promises will always be kept by Him.</li> <li>• God said to go back to Pharaoh again and demand that he let the Israelite slaves go! (<b>Exodus 5: 22 – 7:5</b>)</li> <li>• This time, Pharaoh asked for a miracle and Aaron's stick became a snake. Pharaoh's magicians did the same, but Aaron's snake ate all the magician's snakes. What did this show about God? Still Pharaoh would not obey God (<b>Exodus 7: 6-12</b>).</li> <li>• Then God told Moses and Aaron to meet Pharaoh by the River Nile. God's command was given again. If Pharaoh did not obey, the River Nile would be turned into blood, and there would be no clean water and all the fish would die. Pharaoh refused to listen. The Bible says that he turned and went into his house. Discuss Pharaoh's attitude – what words describe it? Explain that the Bible describes him as having a hard heart (<b>Exodus 7: 14-19</b>).</li> <li>• So, all the Egyptians dug around the river for water to drink because they could not drink the water of the river. This was the first plague and it lasted for 7 days (<b>Exodus 7: 24-25</b>).</li> <li>• Moses and Aaron did exactly what God told them to do, obeying in every detail. The Bible says that God takes delight in our obedience. Pharaoh disobeyed God and refused to listen to Him which ended with trouble and God's punishment. Ask the pupils if they can think of some more of God's commands, written in the Bible.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – Moses and the first plague.</b></p>

**Moses and the last plague**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>Pharaoh and the Egyptians' refusal to obey God would have to be punished.</li> <li>The Bible teaches that God cannot overlook sin, but He does provide a way of forgiveness.</li> </ul> <p><b>Key Verse: Exodus 12: 13</b>  <b>Bible Passage: Exodus 11: 1-10, 12: 1-13</b></p>
<b>INTRODUCE IT</b>	<p>Discuss how we are protected in certain situations. Choose examples which the pupils can relate to e.g. applying sun-cream protects fair-skinned people from the dangers of the sun. Carrying a passport allows us to pass from one country to another without fear of being arrested. A vaccination prevents us from getting a disease. In today's story, we will learn how God gave the Israelites a special sign to ensure that they were kept safe from His punishment.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>There had been nine plagues so far, but each time Pharaoh had refused to let the people go. God was hardening Pharaoh's heart until Pharaoh realised how great God was.</li> <li>Pharaoh told Moses that he never wanted to see him again (<b>Exodus 10: 27-29</b>). But God had already explained to Moses what the final plague would be. There was going to be a terrible punishment on every family - the oldest son was going to die (<b>Exodus 11: 4-6</b>). But Pharaoh did not believe that God could or would carry out that terrible punishment (<b>Exodus 11: 10</b>).</li> <li>Christians believe that whatever God speaks or says in the Bible is the truth, and whatever He promises, He will make it happen.</li> <li>God then explains to Moses the preparations that the Israelites are to make to get ready to leave Egypt. Each family had to kill a lamb. Some of the blood was to be put on the door frame of their house which would show that the house belonged to the Israelites. Then they were to have a special meal of roast lamb, bread without yeast and bitter herbs. They were to eat the meal quickly and be dressed ready to leave very soon. God explained that when the oldest sons were killed in the Egyptian homes the Israelites would be safe if they had blood on their doors (<b>Exodus 12: 12-13</b>). Describe the excitement and anticipation of the fact that they were finally about to leave and how the Israelites followed the instructions exactly. Discuss the value and importance of the blood for the Israelites and how it was their only protection.</li> <li>How were the Israelites kept safe? Through the blood of the lamb! In the same way, the Bible explains that Jesus is the Lamb of God, not just for the Israelites, but for the whole world. His blood which was poured out when He died on the cross, saves all people from the punishment of sin, when they choose to put their trust in Him.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – Moses and the last plague.</b></p>

**Moses and the escape from Egypt**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• God rescued the Israelites just as He had promised Moses when He spoke to him at the burning bush.</li> <li>• This event is an example of God's great power.</li> </ul> <p><b>Key Verse: Exodus 14: 30</b>  <b>Bible Passage: Exodus 12: 31-39, 14: 1-31</b></p>
<b>INTRODUCE IT</b>	<p>Think about some of the things it is impossible for us to do e.g. fly without an aircraft, cross a sea without a boat, find our way through a desert with no compass, etc. However, the Bible teaches that what is impossible with humans, is possible with God.</p> <p>God shows in this story one of the greatest displays of His power recorded in the Bible.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• During the night, when all the Egyptian firstborn sons died, Pharaoh sent for Moses and Aaron. How had Pharaoh reacted after all the previous plagues? Describe how this time was different - He told them to take all the people, with their flocks and to leave Egypt at once (<b>Exodus 12: 31-32</b>). The Egyptians also encouraged them to go because they feared that they would all die if the Israelites stayed. God moved the Egyptians to give presents of silver, gold and clothes as they left (<b>Exodus 12: 35-36</b>). In total, there were over six hundred thousand men as well as women and children. Do some research and compare this number to a population of somewhere familiar to the children.</li> <li>• Finally, Pharaoh was choosing to listen to God! He could have avoided so much suffering if he had listened straight away. Emphasise the importance of listening to/following instructions of parents and teachers. Make the point that for Christians, it's important to obey God.</li> <li>• The Israelites led by Moses made their way towards the Red Sea. Explore their feelings. But it wasn't the last they saw of Pharaoh! Again, God hardened Pharaoh's heart, as he still had to learn how great God is! Pharaoh suddenly realised he had lost all his builders and decided to chase them with 600 chariots (<b>Exodus 14: 3-7</b>).</li> <li>• The Israelites were trapped! Pharaoh was behind them and the Red Sea was in front of them. How do you think they felt now? Describe their panic and how they blamed Moses. But Moses told them to stand firm and they would see how God would look after them! (<b>Exodus 14: 10-14</b>)</li> <li>• God told Moses to raise his staff above the Sea. As Moses obeyed, a dry path appeared miraculously through the middle of the Red Sea so all the Israelites could go through on dry land.</li> <li>• Explain what happened when the Egyptians tried to follow them. Moses raised his staff again and the waters returned. The Bible says that Pharaoh's entire army were covered by the waters and not one of them survived (<b>Exodus 14: 28</b>). What would you have thought about God if you had been an Israelite? Describe their response to this miracle - they 'feared the Lord' (they realised the extent of God's power/who He is) and put their trust in Him and in Moses (<b>Exodus 14: 31</b>).</li> <li>• Christians believe that God is always in control and working for the good of those who love Him (<b>Romans 8: 28</b>).</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – Moses and the escape from Egypt.</b></p>

<b>INTRODUCE IT</b>	<p>Use clues to recall some of the amazing things which happened in Bible days, e.g. Daniel saved in the lions' den, David killing Goliath, including the crossing of the Red Sea as in last week's story. Locate events on a Bible Timeline if you have one. Explain that in each of these, the Bible characters had no alternative but to rely on God's mighty power. We will find out about what the Israelites did after God rescued them and also think about how Christians have responded to God for what He has done for them.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• The Israelites were at last free from being slaves and their enemies had all been drowned. Explain how they would have felt. They knew there was no other God who had such power (<b>Exodus 15: 11</b>). They sang in great detail about all He had done for them.</li> <li>• Explain to the pupils that Christians realise how great God is by looking at creation, appreciating God's provision for all their needs each day and also remembering God's gift of His Son to die on the cross for their sin.</li> <li>• The Israelites did not just sing about God, they had a closer relationship with Him, so they called Him "my God", "my Strength", "my Salvation" (<b>Exodus 15: 2</b>).</li> <li>• The Israelites did not just think about the present, they knew that they could trust Him for future battles with other enemies as they made their way towards the Promised Land (Canaan). **God gives food**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• God provided food for the Israelites for forty years in the desert.</li> <li>• For Christians, Jesus is the “Bread of Life” who meets their needs.</li> </ul> <p><b>Key Verse: John 6: 35</b> <b>Bible Passage: Exodus 16: 1-32</b></p>
<b>INTRODUCE IT</b>	<p>Briefly remind the pupils about what happened in B9 and B10. God had shown the Israelites His power in rescuing them from Egypt and now He promised to lead them to a new country. They weren’t long on the way until the people started to grumble and complain to Moses about being hungry! Their food supplies were finished and they were thinking about being back in Egypt and all the food they had enjoyed there (<b>Exodus 16: 2-3</b>). Already they had forgotten that God was in control and that He knew all their needs for their journey.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Even though the people failed to trust God, He showed that He still cared for them. God had a plan to ensure that they would always have food. He would send bread from Heaven and they were to gather it each morning. On the sixth day of the week they were to gather twice as much to last them for the Sabbath Day (God’s special day). Each evening they would receive meat (<b>Exodus 16: 4-12</b>).</li> <li>• Imagine the Israelites coming out of their tents in the morning and their reaction to what they found. Moses explained that this was the bread that God had given them. Everyone was to gather enough for the people living in their tent. No one was to keep any for the next day. Some people, however, did try to keep it but by the next day it had gone bad (<b>Exodus 16: 15-20</b>).</li> <li>• The people called the bread from Heaven “Manna”. It tasted like honey! God sent the manna to the Israelites for as long as their journey lasted. God had given them even more proof that He was their God and would look after them (<b>Exodus 16: 31</b>).</li> <li>• In our story, the Israelites had to gather and eat the manna before it could satisfy their hunger and keep them alive each day.</li> <li>• The Bible teaches that many years later, Jesus came down from Heaven to die for our sins. He called Himself the “Bread of Life”. Just as bread is necessary to satisfy physical hunger, Jesus was making the point that faith in Him is the only thing that brings true satisfaction, contentment in life and Eternal Life in Heaven.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – God gives food.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>John 6: 35</b>. Reinforce the point that food is essential for life. In the same way, the Bible makes it clear that Jesus is essential for Eternal Life.</p>

**God gives victory**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• God helped the Israelites when they depended on Him.</li> <li>• Christians can pray to God to ask for help in times of need.</li> </ul> <p><b>Key Verse: Exodus 17: 15</b> <b>Bible Passage: Exodus 17: 8-15</b></p>
<b>INTRODUCE IT</b>	<p>Soon the Israelites faced another problem. An enemy army called the Amalekites started attacking them (<b>Exodus 17: 8</b>).</p> <p>Use the questions below to engage the pupils in thinking about the situation:</p> <ul style="list-style-type: none"> <li>• What would the Israelites have to do? (fight back)</li> <li>• Were they used to fighting? Remind the children that in Egypt they had been slaves, not soldiers.</li> <li>• How would they have felt?</li> <li>• Could they count on God's help? Remind the children that God had brought them out of Egypt to bring them to a new land. Would He keep His promise?</li> </ul>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Moses was a wise leader and knew what to do. He asked his helper Joshua to choose an army. Moses knew that the army would need God's help so he went with Aaron and Hur to the top of a hill overlooking the battlefield. Moses held up his staff (long stick which he used when he was a shepherd) above his head using both hands. Explain that this was a way of showing that the Israelites were trusting God to help them win (<b>Exodus 17: 9</b>).</li> <li>• As long as Moses did this, the Israelites were winning. Ask the pupils to hold their hands above their heads. What do you think would happen to your arms if you had to keep them up like that for a long time? Soon Moses' arms got tired and he put them down for a rest. Then the enemy started to win. Ask the pupils to suggest how Aaron and Hur might have helped Moses and then clarify exactly what they did. Moses was then able to hold up his arms until sunset and by that time the Israelites had won. Moses wanted to thank God for the victory so he built a stone altar and called it "The Lord is my Banner." Explain that Moses wanted God to have all the honour for the victory (<b>Exodus 17: 10-13, 15</b>).</li> <li>• Who do you think had the most important part in winning the battle? Joshua and the soldiers couldn't have won this battle if Moses hadn't lifted his hands to God and depended on Him. Today, Christians depend on God to help them defeat their enemy – Satan. The Bible says that he wants to cause fear and take away the joy in their lives. The good news is that Jesus is more powerful than Satan. Christians need to depend on Him all the time.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – God gives victory.</b></p>

**God gives commandments**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• The Bible says God is Holy.</li> <li>• The Bible says we are unable to keep God's commandments.</li> </ul> <p><b>Key Verses: Exodus 20: 1 or Romans 3: 23</b> <b>Bible Passage: Exodus 19 &amp; 20</b></p>
<b>INTRODUCE IT</b>	<p>Talk about rules which you have in school or at home. What are they? Why do we have rules? Is it always easy to keep them?</p> <p>In today's lesson, we will learn about how God gave His rules to the Israelites.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• The Israelites arrived at a large mountain called Sinai where they set up camp. God explained to Moses that He would come down in a thick cloud to the top of the mountain. He was to put marker stones around the bottom of the mountain so that none of the people would try to climb up. Even though the people had washed and prepared themselves, their sin meant they could not come close to God (<b>Exodus 19: 1-14</b>).</li> <li>• Three days later the people stood at the foot of the mountain. Smoke poured out of the mountain and it shook. Explain that this showed the people how powerful God was. Reflect on how the people would have felt. Then God called for Moses to come up and for a second time, He told Moses to warn the people to stay at the bottom (<b>Exodus 19: 16-22</b>). Explain that the people could not approach God because He is Holy (without any sin) but they had sin in their lives. The Bible teaches that today, sin still separates us from God unless our sins have been forgiven.</li> <li>• Later, Moses received the Ten Commandments from God written on two big stones. The Commandments were God's rules or laws and they made it clear to the people how God expected them to behave. They were to love God more than anyone else and they were also to love each other. With Level 2 children it may be appropriate to read through these and explain each one briefly.</li> <li>• Sadly, the Israelites could not keep God's laws and neither can we. All of us fall short of what God expects. We are sinners. The Bible makes it clear that Jesus is the only person who lived a perfect life on earth. This is why He is able to be our Saviour. He died to take the punishment for our sins so that God can forgive us. Then we can be in God's family and not have to stay away from Him/be separated from Him as the Israelites were.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – God gives commandments.</b></p>

**God saves the people's lives/God gives salvation**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• God provided a way for the Israelites to be saved from the punishment they deserved.</li> <li>• The Bible teaches that God has provided a way for us to be saved.</li> </ul> <p><b>Key Verse: John 3: 14</b> <b>Bible Passage: Numbers 21: 4-9</b></p>
<b>INTRODUCE IT</b>	<p>Sometimes we repeat the same mistake! Can you remember what the Israelites did when the food they had brought from Egypt was used up? Yes, they grumbled and complained! In today's story they are grumbling again! Let's find out why.</p> <p><u>Or</u> Talk about the danger of being bitten by a snake, the need to go to hospital and get anti-venom. In today's story, God had a very different cure for those who had snakebites.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Sadly, the Israelites spoke against Moses and against God saying that things had been better in Egypt and that they hated the manna that God provided. How ungrateful they were! <b>(Numbers 21: 5)</b></li> <li>• This time God was angry with the people and decided to punish them. Soon the camp was invaded by poisonous snakes. What would happen to the people? Yes, the people got bitten and many of them died. Straight away the people knew it was their fault. They came to Moses and said that they had sinned and asked him to pray to God to take the snakes away <b>(Numbers 21: 6-7)</b>. The Bible teaches that this is the right attitude when we have done wrong - admit our sin, say sorry and ask God to help us.</li> <li>• After Moses had prayed to God, God told Moses to do a strange thing. He had to make a snake from bronze and put it high on a pole in the camp. The shining bronze snake was in everyone's view. God promised that anyone who had been bitten would not die if he looked at the snake on the pole. Everyone who believed this and did as God said, lived. What an easy way to escape death! <b>(Numbers 21: 8-9)</b> (If you used the second idea in the introduction, you could make a comparison). Do you think the Israelites obeyed God's instruction? Why? Emphasise that this was the only way for them to live – it was no use trying anything else!</li> <li>• Years later, the Bible tells us that when Jesus was on earth, He used this story to teach everyone an important lesson. We are like the Israelites because we have sinned against God and our sins will be punished. But God has provided a way for us to escape the punishment for our sins. Jesus explained that He too was to be "lifted up" when He died for our sins. When we put our trust in what Jesus has done for us, God saves us and gives us eternal life. Emphasise that the Bible makes it clear that it is only through Jesus that we can be saved.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – God provides a way.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>John 3: 14</b>. Mention that these are the words of Jesus. He explained how He would be able to save us when He would be lifted up on the cross.</p>
<b>REMEMBER IT</b>	<p>A small group of pupils could make a collage of the bronze snake on the pole and another group could make the cross. The verse could also be displayed on the finished artwork. <u>Or</u> you could have a quiz based on all the stories in B11.</p> <p>Additional questions on B11 could include:</p> <ul style="list-style-type: none"> <li>• What did the Israelites complain about this time?</li> <li>• How did God punish them?</li> <li>• What did the people have to do to be healed from the snakebites?</li> <li>• What does the Bible teach about the forgiveness of sins?</li> </ul>

<b>INTRODUCE IT</b>	<p>Talk about names – Ask the pupils if they know what their names mean or why they were given their name.</p> <p>Explain that in today's lesson we will be learning about a very special baby in the Bible who was given a very special name. Allow the pupils to guess who the story will be about.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• Joseph and Mary were planning to get married, but one day Mary told Joseph that she was expecting a baby. Joseph knew he was not the father of the baby, so he decided not to marry Mary (<b>Matthew 1: 18-19</b>).</li> <li>• One night Joseph had a dream. An angel appeared in the dream and spoke to Joseph. The angel said, "Don't be afraid to take Mary as your wife, because the baby is from the Holy Spirit." (<b>Matthew 1: 20</b>) Explain to the pupils that this means that the baby would be God's Son.</li> <li>• The angel told Joseph that he should call the baby 'Jesus' because He would save the people from their sins (<b>Matthew 1: 21</b>). Explain that Jesus means "Saviour". Discuss what a saviour is in everyday life, e.g. a person in danger of drowning needs a saviour or rescuer. Explain to the pupils that the Bible teaches that we need a Saviour because we have sinned against God by breaking His laws.</li> <li>• When Joseph woke up from his dream, he did as he had been told and married Mary. Sometime later the baby was born, and Joseph named Him 'Jesus' (<b>Matthew 1: 24-25</b>). Ask the pupils about the instructions Joseph had been given and discuss how he followed them. 	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• Christians believe that Jesus is the King of kings.</li> <li>• The Bible teaches that Jesus deserves to be worshipped.</li> </ul> <p><b>Key Verse: Matthew 2: 2</b> <b>Bible Passage: Matthew 2: 1-8</b></p>
<b>INTRODUCE IT</b>	<p>Ask the pupils to make a list of people who are considered important in society. Discuss – Would you like to meet any of those people? If you did, who would you choose? What would you do? How would you treat them?</p> <p>Explain to the pupils that today we will be learning about some men who went on a journey to find the most important person, the Bible teaches, ever lived.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• A new star appeared in the sky. Wise men in the East knew that this was a sign of the birth of a new King. They travelled to Jerusalem to search for the new King. They went to Herod the King and asked “Where is the one who has been born King of the Jews? We saw His star when it appeared in the sky and we have come to worship Him” (<b>Matthew 2: 1-2</b>). Explain to the pupils that the new King who was to be born was Jesus, God’s Son and that He would be greater than any other King who ever lived. The Bible teaches that Jesus is the King of kings. Ask the children if they can remember what Jesus’ name means from the previous lesson. Discuss what the Wise Men meant when they said they wanted to ‘worship’ the King? Why did Jesus deserve to be worshipped?</li> <li>• When Herod heard about a new King he was worried. He didn’t want anyone else taking his place as King. He called some of his advisors and asked them where the new King was supposed to be born. They searched through the Scriptures and discovered that the child was to be born in a town called Bethlehem (<b>Matthew 2: 3-6</b>).</li> <li>• Herod called the Wise Men to him and said, “Go and find the child and when you have found Him, come back and tell me where He is so that I can go and worship Him too.” (<b>Matthew 2: 7-8</b>) Explain that Herod didn’t really want to worship the new King; he actually wanted to kill Him. Ask the pupils to think of reasons why Herod wanted to kill the new King. Explain that many people today still don’t treat Jesus as King. The Bible teaches that God wants people to worship Jesus and show Him the same love and respect that the Wise Men displayed towards Him.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – Herod and the Wise Men.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>Matthew 2: 2</b>.</p>
<b>REMEMBER IT</b>	<p>Ask pupils the following questions as a means of revising the story.</p> <ul style="list-style-type: none"> <li>• What appeared in the sky?</li> <li>• What direction did the Wise Men come from?</li> <li>• Where did they go to, to look for the new King?</li> <li>• What was the name of the King they spoke to?</li> <li>• How did King Herod feel when he heard about a new King?</li> <li>• What town did they discover the King was to be born in?</li> <li>• What did Herod tell the Wise Men to do?</li> <li>• Who does the Bible say is greater than any other King?</li> </ul>

**B12 Story 3**  
**The Wise Men and Jesus**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• The Wise Men worshipped Jesus and gave Him very special gifts because they knew He was a new King.</li> <li>• Christians worship Jesus today by thanking Him for all He has done and doing things that please Him.</li> </ul> <p><b>Key Verse: Matthew 2: 11</b> <b>Bible Passage: Matthew 2: 9-12</b></p>
<b>INTRODUCE IT</b>	<p>Discuss – What is the best gift you have ever been given? (You could ask the pupils to draw a picture of it). If you were going to visit a new baby what gift would you bring them?</p> <p>Explain to the pupils that today we will be learning about the gifts the Wise Men gave. Ask them if they can recall what they learned about the Wise Men in the previous lesson.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• The Wise Men left Herod and went on their way. They saw the star again and it led them to the place where Jesus was. The Wise Men were very happy and excited when they saw the star (<b>Matthew 2: 9-10</b>). Discuss - Why do you think the Wise Men were so excited when they saw the star?</li> <li>• The Wise Men arrived at the house in Bethlehem where Joseph, Mary and Jesus were staying. They went inside and when they saw Jesus they fell down and worshipped Him. They gave Him three gifts: gold, frankincense and myrrh (<b>Matthew 2: 11</b>). Ask the pupils if these gifts are similar to the ones they would have given to a young child. Explain that these gifts were very expensive and the sort only usually given to a King. Discuss – why do you think the Wise Men chose to give these gifts to Jesus? Explain that although Christians today can't give gifts like the Wise Men, they can still worship God by thanking Him for all He has done and doing things that please Him.</li> <li>• After a while, it was time for the Wise Men to go home. Herod had asked them to come back and tell him where they had found the new king. However, God warned them in a dream not to go back to Herod, so they went home a different way (<b>Matthew 2: 12</b>). Discuss – How do you think the Wise Men felt on their way home? What do you think they told people when they reached home?</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – The Wise Men and Jesus.</b></p>
<b>LEARN IT</b>	<p>Teach and explain, where necessary, the Key Verse <b>Matthew 2: 11</b>.</p>

**B12 Story 4**  
**The Escape to Egypt**

	<p><b>We are learning that:</b></p> <ul style="list-style-type: none"> <li>• God protected His Son Jesus.</li> <li>• Christians try to please God by following His instructions.</li> </ul> <p><b>Key Verse: Matthew 2: 15</b> <b>Bible Passage: Matthew 2: 13-23</b></p>
<b>INTRODUCE IT</b>	<p>Ask the pupils to tell you about any dreams they have had. Remind them that in Bible times dreams often had special meanings. Ask them to tell you about the dreams they have learned about so far in the story (Joseph's dream, the Wise Men's dream). Today we are going to learn about another dream.</p>
<b>TEACH IT</b>	<ul style="list-style-type: none"> <li>• After the Wise Men left, Joseph had another dream. In the dream God told Joseph that Herod had got so angry that he was going to try and kill Jesus. God told Joseph that he needed to take Jesus and Mary and escape to Egypt so that they would be safe (<b>Matthew 2: 13</b>). Discuss - How do you think Joseph felt when he had this dream?</li> <li>• Again, Joseph did what he was told and took his family to Egypt. They stayed there for some time until they heard that King Herod had died (<b>Matthew 2: 14-15</b>). Discuss - What do you think would have happened if Joseph hadn't done as God told him in the dream? It was so important that Joseph did as God had told him to do. Tell the pupils that the Bible had foretold Jesus' birth hundreds of years before He was born. Explain how the Key Verse talks about Jesus being in Egypt – God knew what Herod would try to do long before it ever happened. In everything that happened God was protecting His Son.</li> <li>• When Herod died, Joseph, Mary and Jesus returned and went to live in a city called Nazareth (<b>Matthew 2: 19-23</b>). While Jesus was growing up in Nazareth He lived a sinless life, always pleasing His Father God. When we love God we will want to please Him, just like Jesus did. The Bible teaches that God wants us to thank Him for sending Jesus to be our Saviour and to ask Him for forgiveness from our sins.</li> </ul> <p><b>Complete the Bibletime lesson.</b></p> <p><b>Show it: see FBI links in Appendix A – The escape into Egypt.</b></p>

# Guidance for Teachers Marking Lessons

## LEVEL 0 and 1 LESSONS:

- These Booklets mainly involve colouring for level 0, in addition to filling in a few words and puzzles for level 1.
- The story and answers are all contained within the lesson.
- Marks are allocated for each week with a maximum of 40 marks for level 0 and 80 marks for level 1 for 4 weeks (one month).
- Children who receive Level 0 and 1 lessons are not expected to be able to read very well and we expect parents / guardians / leaders / teachers to help them.

## LEVEL 2 LESSONS:

- The story and answers are contained within the lesson. The students have to find out various words from the lesson, do some colouring, and complete puzzles and the Key Verses, etc.
- Marks are allocated for each week with a maximum of 80 for 4 weeks (one month), when the lessons are completely correct.

## BIBLETIME MARKING

### MARKING HINTS

The teachers are asked, first to:

- Check through each lesson and mark the answers correct or incorrect.
- Award the necessary points as instructed.
- Always mark in a contrasting colour, and TICK each correct answer.
- Put in the correct answer, where necessary and correct any spelling errors, though NO marks are deducted for these.
- Give less marks for partially correct answers.
- Add the total for the month and write this on the back page in the space provided.

It is necessary to be fairly generous and to do everything possible to encourage the students with their Bible Study. It is helpful, where possible each month for the teacher to write a word of encouragement to the student and there is a space provided on the lesson sheet for this to be done. Comments can be made about good colouring, neatness, marks attained, the student's understanding of the lesson, etc.

We try to keep comments as varied as possible. Questions, statements, observations, encouragements etc. can all be used to maintain variety. It requires thought, but it is important to keep the interest of the student alive. If the same statement or question is being repeated every month, it loses its impact.

## LEVEL 0 and 1

General comments

"I am delighted you have started these lessons and I hope you enjoy them. I love your colouring in."

"Well done. What super colouring! Was it difficult to stay inside the lines? You just missed a small bit of colouring on the last lesson."

Spiritual comments

"Well done. What a happy man Jairus was when Jesus helped him."

"Very good answers! The story of Jesus dying is sad, but the happy bit is that He rose again."

## LEVEL 2

General comments

"Good answers again – I am very pleased with your work at school!"

"You have tried really hard. There are just a few little mistakes. Don't forget to check your answers each time."

Spiritual comments

"I like the way you coloured Baby Jesus in the manger. Wasn't it good of God to send Him into the world for us?"

"I really like your colours! Zechariah had to pay a price for not believing in what God said. He never doubted God's Word again."

"Excellent answers. The man who met Phillip in the desert went away really happy. He had heard and believed the good news about Jesus."
