GENERAL INFORMATION

What Bible Educational Services does:-

Bible Educational Services (BES UK) publish “Bibletime”, “New Life” and “Gleaners” Bible lessons in English and support Postal Bible Schools and similar organizations using BES lessons in the UK and overseas, by visiting, networking, advising and training. BES is also currently working in partnership with groups in other countries who are involved in translation, design, publishing and distribution of lessons. Lessons must be provided free of charge to all students.

Bibletime lessons were first used in Southern Ireland over 60 years ago. Bible Educational Services maintain editorial responsibility for Bibletime Lessons in English and in all foreign languages. Bibletime lessons have been normally published in an A4 format which enables students in some areas, every four weeks, to send the lessons back to a Postal Bible School Centre for marking. More recently, thanks to Every Home Crusade (Revival Movement) in Belfast, lessons for six months have been published in an A5 format, which has made usage in churches and schools overseas much easier, especially where there is no effective postal system.

The BES lessons are unique in that they are prepared with home or group (church/school) study in view, following a planned syllabus which allows students to continue studying for up to 20 years. Five levels of lessons are available for specific age groups, Pre-school (Level 0), 5-7's (Level 1), 8-10's (Level 2), 11-13's (Level 3), 14-16's (Level 4). There is a three-year syllabus for each age group. (See page 4) The age groups can be varied according to ability. The Bibletime Resource gives children the opportunity of studying God's Word, learning Bible Stories and facing the challenge of the relevance of the Gospel in their lives.

Printed copies of the lessons are available in English from the BES website – www.besweb.com or from the International Secretary. They are also available on the website in other languages. BES has documents which may be helpful to those who are considering partnering with BES, and these are also available on the website.

TEACHER GUIDELINES

Originally, Bibletime lessons were produced to be used in a postal system with a Postal Bible School Centre but the lessons are increasingly being used where the postal system is unreliable or non-existent especially in churches and schools in Africa, India and other locations. Teacher Guidelines are produced for those using Bibletime lessons in such situations. The Teacher Guidelines in this booklet are designed for use with Level 3 and 4 lessons approximate ages 11-14+.

Each Guideline follows the same Bible Reference as the Bibletime lesson. The Bibletime lessons and Guidelines are designed to be used on a weekly basis. The April lessons are especially related to Easter and the December lessons to Christmas.

Some locations will be using an A4 monthly edition with 4 lessons and others will be using the A5 booklet with 24 lessons included. Normally the teacher or leader will give out the monthly A4 lesson and each week the lesson will be either filled in, in the church or school or taken home and returned the following week. At the end of the month the teacher or leader will collect the lesson and do the necessary marking, returning the marked lessons as soon as possible to the student.

Ideally, when using the booklets, they are collected and marked at the end of each session. We realise that in many situations this is impossible. In the classroom they may be distributed to other students and the teacher or leader will work through the lessons and the students will mark their friend's lessons and give them a score. At the back of the booklets there is a place for scores for each month's lesson and a place for a comment about progress that the student has made. There is also a certificate that can be detached and given to the student with an indication of the percentage obtained for the six months of lessons.

Feedback on the use of Teacher Guidelines and also for the Bibletime booklets is always appreciated and should be directed to stephen.gillham@besweb.com

PREPARATION FOR TEACHERS

The Teacher Guidelines are not prescriptive and giving no room for teachers to adapt things in their own way with their own ideas and initiatives. These are suggestions which could help in the use of Bibletime.

- **Be familiar with the story** - Teachers should be as familiar as possible with the Bible story and also with the Bibletime lesson that accompanies it. Ideally, the Bibletime lesson should be completed by the teacher before the lesson. The Guidelines for each lesson should also be carefully considered as a planning aid for the lessons.
- **Understand the lessons to be learned** - At the top of each lesson plan are the words "We are learning that", followed by two learning intentions which the children will hopefully have grasped after listening to the teacher's presentation and completing the Bibletime lesson. The first learning intention is to do with knowledge about the story, whereas the second encourages the children to think about the knowledge, apply it and make a response. These learning intentions are a precise statement of the main concepts/truth taught in the lesson and teachers may wish to use them for their personal evaluation of the teaching and learning which has occurred.
- **Introduce it** - All lessons start "where the children are" with their own experience of a situation. Various ways have been suggested that might be used to enable the children to be interactive in discussing the starting point of the story.
- **Teach It** - The Key Points of the story are given. Hopefully teachers would not have to refer to these when actually telling the story but would be familiar with the story and be able to teach it in an interesting and inspiring way. The teacher will want the children to understand the main lessons from the story and help them to understand the response they can make from the story. As appropriate we have tried to interweave some explanations into the story telling. These are always included in **ITALICS**.
- **Learn It** - There is a Key Verse attached to each story. On some occasions, there are two Key Verses, since we have added another Key Verse which may be easier for children to learn. We hope that the children can learn the Key Verses and will be reminded of it as often as possible so that they begin to build up knowledge of Key Bible Verses.
- **Complete It** - In a school situation the teacher will be aware of the abilities of children to complete worksheets and the amount of teacher support required. For some, it will be a requirement that the teacher reads over the text of the lesson as the children follow what is now a familiar narrative. Other children may be

able to read the text independently. In either case, it may be an idea to draw the children's attention to specific instructions relating to the questions. If Bibletime is used in a non-school context, it is important that teachers are available to help so that the lesson is not perceived as a chore or test. It should be enjoyable; encouragement and praise while working on the task are important.

- **Remember it** - Wherever possible, quizzes, acting etc. are suggested to assist the learning, and as a means of revising the story.
- **Show it** - In some situations, visuals will be very difficult to obtain but wherever possible it is important to focus on pictures or objects to help in the understanding of the story. Visual aids can be a great help in telling the stories. Where appropriate in each lesson we have given the information about pictures from www.freebibleimages.org pictures (FBI) which can be downloaded from their website. At the end of the Teacher Guidelines there are some Appendices with hyperlinks to a variety of different Free Bible Images suitable for each story.
- Where a photocopier is available some Bibletime pictures could be enlarged, coloured, and used in teaching.

Time Plan

- **Order.** There is the same order in the Teacher Guidelines for each Lesson, but it may be the teachers will want to change this from time to time.
 - The introduction and telling the story - approximately 15 minutes
 - Teaching the Key Verse – 5-10 minutes
 - Completing the worksheet - 20 minutes
 - Quiz and other activities 5-10 minutes.

Remember the important saying:

“Tell me and I may forget,
Show me and I'll remember,
Involve me and I'll understand.”

Jesus knew that Simon saw himself as the 50 pence debtor and the woman as the 500 pence debtor. Jesus intended Simon to learn there are no degrees in sin. Both the 50 pence debtor and the 500 pence debtor were unable to pay their debt but the creditor forgave them both. (verses 40-43) When asked which debtor would love the generous money-lender most, Simon had to admit it was the person who was forgiven most. (verse 42) Jesus drew Simon's attention to 'this woman' and pointed out her love for Him compared to Simon's lack of respect and love for Him. INTRODUCE IT	<p>Talk about favourite possessions. Discuss the sin of 'covetousness' and ensure they understand it is a selfish desire to own and hoard up earthly things, which we cannot take when we die. Refer to the Ten Commandments and explain why the last one says 'Thou shalt not covet'. (<i>Exodus 20: 17</i>)</p>	<p>Talk about who are our neighbours. A life may be full of 'many things' but if it is minus God, it is an empty life. He did not understand that all of his possessions came from God. b) A Poor Fool – He was actually a poor, rich man – poor with regard to his eternal future. He set his heart on riches rather than on God. c) A Self-centred Fool – In verses 17-19, notice six I's, five my's and four I will's. God, who supplied his wealth, was not in all his thoughts. He even called his soul his own – my soul! d) An Ambitious Fool – He was selfish in his ambition for he spoke of security for many years to come, love of ease and satisfying his own desires with eating and drinking. (verse 19) e) A Doomed Fool – The God he forgot said to him "his soul was required of him." When an expert in the Law of Moses asked Jesus what he had to do to inherit eternal life, Jesus directed him to the Law and asked what it demanded. It required total love for God and for his neighbour. Jesus was showing how the purpose of the Law, or the Ten Commandments, was not to save us from sin but to show us what guilty sinners we are. (10: 26-28) 2. The lawyer should have understood that he fell short of God's standards and asked the Lord to save him. However in his pride he asks the Lord "Who is my neighbour?" In order to answer him, the Lord tells the story of the Good Samaritan. The Jewish priest and Levite were Jews and the Jews hated the Samaritans. They refused to help but the despised Samaritan came to the victim's rescue. The lawyer was forced to admit the Samaritan proved to be a true neighbour to the wounded Jew. (10: 29-37) 3. We see in the Priest and Levite the powerlessness of the Law to help sinners and the Good Samaritan reminds us of the Lord Jesus who came to where we were, in our need, to save us from the punishment of our sins. <p>Explain the Key Verse and encourage students to learn it. Bible Focus: *Mark 4: 1-20*

Key Verse: *Mark 4: 20*

We are learning that:

1. The seed is the Word of God.
2. The various kinds of soil represent human hearts and how receptive they are to the Word of God.

Bible Focus: *Luke 12: 13-21*

Key Verse: *Luke 12: 15*

We are learning that:

1. To be covetous is evil as one's life does not consist of just our possessions.
2. To focus on hoarding up riches, at the expense of losing one's soul, is folly with disastrous consequences. See also Level 3 Lesson 2.

INTRODUCE IT

Explain that Jesus often told parables to emphasise some of the truths He was teaching. Generally the parables had a deeper, spiritual meaning. Sometimes He did not explain the meaning, but on this occasion he gave a full explanation. The different places where the seed was sown represented different responses to the Word of God.

Discuss the background to this parable. It is a man asking Jesus to intervene in a dispute about a will. Remind students how Jesus shows him that the purpose of His coming into the world was to save sinful men and women and not to sort out legal issues about wills. These are trivialities compared to the really important spiritual matters that need our attention.

COMPLETE IT

Present the Bible Story

Discuss and Explain:

1. The wayside soil (**verse 15**) is the person who says "No" to the Lord Jesus. Satan is pictured in the birds taking away the Word. This person remains indifferent to the Word of God.
2. The stony ground (**verses 16-17**) is the person who makes a profession of faith, goes on well for a time and when persecution comes and he or she has to take a stand for Christ, he or she decides the cost is too great and abandons the whole thing. When persecution comes the unreality of his or her profession becomes clear.
3. The thorny ground (**verses 18-19**) are people who make a good start and seem to be true Christians. However, they become more interested in business, riches and worldly things and abandon any claim to be Christians; they are 'unfruitful'.
4. The good ground (**verse 20**) are the people who accept the Word – they repent of their sin and put their trust in the Lord Jesus Christ – and follow Him faithfully whatever it costs.

Explain the Key Verse and encourage students to learn it.

Complete Lesson 3.

Show it: see FBI links in Appendix A – The sower.

Present the Bible Story

Discuss and Explain:

1. This parable illustrates that possessions are not the principal things in life. They are given to us by God and we are meant to use them for God's glory and honour. This man should have understood that he should give of his abundance to those in need.
2. He has planned the future – notice his independence of God by his use of 'I' and 'my' in **verses 17-19**. God had other plans for this man's life and told him he would die that night (**verse 20**). His plans would end at the grave and he was a fool in that he had no preparation made for the eternal world – look up the warning in **Amos 4:12**.
3. Point out how God asks a very solemn question in this parable, namely 'Then who will get what you have prepared for yourself?' (**verse 20**)
4. Point out that we should be using our gifts and talents to further the extension of God's kingdom.

Explain the Key Verse and encourage students to learn it.

Complete Study 3.

Show it: see FBI links in Appendix A – A foolish man.

REVIEW IT

Ensure students understand the differences in the four different types of soil. Engage in discussion about the varying degrees of 'fruitfulness' in **verse 20**; thirtyfold, sixty and a hundred and show that the most productive lives are lived by those who willingly obey God's Word and take pleasure in doing so.

Consider how **Proverbs 11: 4 & 29** and **Matthew 6: 19-21** really summarise this lesson. Also look up **Exodus 20: 17** with regard to covetousness.

LIVE IT

How does the lesson challenge us:

1. Which type of ground best represents each heart?
2. For Christians, what has been the experience of taking a stand for the Lord Jesus at school or elsewhere?
3. As a Christian, think of some ways in which life could be fruitful for the Lord Jesus? To which should we all aspire – thirtyfold, sixty or a hundred?
4. Daily Bible reading, memorising Key Verses and prayer helps Christians to keep a tender heart for God and be fruitful in their lives.

How does the lesson challenge us:

1. The importance of ensuring the real purpose of one's life "For to me to live is Christ". (Paul in **Philippians 1: 21**)
2. The importance of using our possessions for the good of others. Make a list of some ideas to help others.
3. The importance of not pursuing greed at the expense of our salvation.

This parable was told to teach Christians how to forgive. 2. God has promised a feast in Heaven for all who respond to His call 'Come unto me'. (<i>Matthew 11: 28</i>) 2. Those of us who have come to the Lord Jesus for salvation have a responsibility to persuade others to respond to Jesus.
INTRODUCE IT	<p>Explain the problem that Peter had about forgiveness. (<i>18: 21</i>)</p> <p>Explain that he knew that in the Old Testament a person was forgiven three times or four at most (<i>Amos 2: 6</i>). As a disciple of the Lord Jesus, he feels he should be more generous and suggests seven times (<i>verse 21</i>). However, the Lord, says 'seventy times seven' which really means we should be unlimited in our forgiveness of others.</p>	<p>Point out how that in the East, people of rank would have sent out two calls to a planned feast. The first call indicated preparation was needed and the second call indicated that the feast was ready. In this case those invited had no intention of attending and made up excuses for refusing.</p>

When the lord of the servant realised the debtor was unable to pay his huge debt he was moved with compassion to him and wiped out the debt. (<i>verses 25-27</i>) This was an act of mercy, holding back the punishment the servant deserved. 2. As sinners, we can not pay our great debt of sin and need God's mercy to escape His punishment. We can obtain salvation through the work of Christ, who paid the debt of the world's sin on the cross. God gave His Son 'who gave His life a ransom for many.' (<i>Matthew 20: 28</i>) 3. The forgiving servant should have forgiven his fellow servant who owed a very small debt (approximately £5) in comparison with what he owed himself (approximately £1million). He forgot the mercy shown to him. 4. We should behave towards others as the Lord Jesus behaves towards us. If we claim to belong to Him, we must forgive others, including our enemies. This 'Great Supper' reminds us of the fact that the Lord Jesus finished the work of salvation by dying on the cross and, as a result, the gospel invitation goes out to all. 2. The three excuses were not genuine in that, in each case, arrangements could have been made to allow attendance: First Excuse (<i>verse 18</i>); Whilst he apologises, it is difficult to believe a Jew would buy land without seeing it and since the supper was at night he would not be able to see it anyway. Second Excuse (<i>verse 19</i>); This man is more defiant, gives no apology, and feels his oxen come first. Third Excuse (<i>verse 20</i>); This man made a poor excuse but could have brought his wife to the feast had he not been so selfish. 3. This First Excuse represents those who put more importance on material possessions, the Second Excuse are those who are too busy in their occupations, and the Third Excuse represents those whose home responsibilities take up their time. 4. The host is displeased and feels insulted at these excuses and sends his servant out to the 'highways and hedges' to invite the poor, lame and blind. REVIEW IT	<p>Discuss how this passage demonstrates both 'mercy' and 'grace'. Study <i>Titus 3: 5</i>. 'Not by works of righteousness which we have done, but according to His mercy He saved us', and explain that mercy provides a righteous way in which we can escape God's punishment. Study <i>Ephesians 2: 8</i> 'For by grace are ye saved.' Being saved is a gift of God by grace – giving us eternal security which we did not deserve and cannot earn.</p>	<p>Explain how that the primary application of this parable is that those who rejected the Gospel were the Jews and then it was offered to the Gentile nations who were more responsive. Ensure students understand its relevance to them in that those who persist rejecting the Lord's mercy and grace will find that one day it is too late and the doors to the gospel feast in Heaven are closed. Think of some of the excuses people may make today when they oppose the Gospel of Jesus Christ.</p>

INTRODUCE IT	<p>Introduce the ideas of an Eastern Wedding. Explain that in this passage Mary is spoken of as 'the mother of Jesus' in verse 1. Explain that the Lord Jesus was not famous because he was the Son of the Virgin Mary but that she was well-known because she was the Lord's mother. Point out that the Bible always gives the highest place to the Lord Jesus and not to Mary.</p>	<p>Discuss what miracles are, and why they are recorded in the Gospels. The Gospel of John is built around seven miracles, all performed in public, of which the wedding in Cana of Galilee is the first. The students could be asked to look for some of the others. Also introduce the idea of an Eastern Wedding.</p>

	<p>Bible Focus: <i>John 4: 43-54</i></p> <p>Key Verse: <i>John 4: 50</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> The nobleman’s son was very sick, at the point of death, and at a distance from Jesus, but was made well again by Jesus. We are all born sinners and at a distance from the Lord Jesus but when we repent and turn to Him for forgiveness, He can give us new life. 	<p>Bible Focus: <i>John 4: 43-54</i></p> <p>Key Verses: <i>Acts 16: 31; Romans 10: 9</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> The nobleman’s son was near to physical death and only the Lord Jesus had the power to restore him back to life again. Our sin is a disease, in the spiritual sense, that will cause spiritual death and it is only the Lord Jesus who can give us everlasting life.
<p>INTRODUCE IT</p>	<p>Remind students that the Lord Jesus, on his first visit to Cana, turned the water into wine and that the people were to see another mighty miracle carried out in Cana – the healing of the nobleman’s son.</p> <p>Use the map on the lesson to show that although Jesus was in Cana, the boy was in Capernaum and point out Jesus’ power was felt there, even though He was not physically present.</p>	<p>Remind students that it was in Cana the Lord Jesus Christ performed His first miracle and His fame had spread, so much that the boy’s father, an official in Herod’s palace, humbly asked him to heal his son.</p> <p>This nobleman thought the Lord Jesus would have to be physically present at the boy’s bedside to heal him. The Lord Jesus did not rebuke him for this lack of faith but rewarded him for the faith he did show and gave him more. Point out that the Lord Jesus was not as pleased with faith that was based on miracles as with faith based on His words alone – believe first and then see!</p>
<p>COMPLETE IT</p>	<p>Present the Bible Story Discuss and Explain:</p> <ol style="list-style-type: none"> This boy’s father was a Jew and an officer of King Herod. He seems to have had a greater trust in the Lord Jesus than the rest of the Jewish countrymen and pleaded with the Lord to come and heal his son for he was critically ill. (4: 47) The boy’s father thought the Lord Jesus would have needed to be at the boy’s bedside to heal him, but the Lord told him his son was healed and the nobleman believed the Lord’s Word and started travelling home. (4: 50) When he asked the servants what time the boy was cured their answer assured him that it was at the exact time the Lord Jesus had told him the boy was healed. Sickness and death come to us all, rich or poor, but all need the Lord Jesus to meet their spiritual need. The Lord Jesus likens sin to sickness – refer to Matthew 9: 12-13. The Bible also teaches that those who know the Lord Jesus have eternal life and those who do not know Him do not possess eternal life. (1 John 5: 10-14) The Lord’s reply. The Lord Jesus was testing the nobleman’s faith when He told him ‘Your son will live’ (verse 50). People then, just like people now, wanted to see signs and wonders (verse 48) instead of accepting God’s Word at face value: faith first then sight! The Result. God’s Word is living and through it we can not only come to know the Lord Jesus personally but can be strengthened by it, because behind God’s Word is all the power of God. The nobleman believed, his son was healed and his whole family believed as a result. <p>Explain the Key Verses and encourage students to learn them. <p>REVIEW IT</p>	<p>Learn the Key Verse, John 4: 50, and discuss how it summarises this lesson in that the power of the Lord Jesus Christ had not only healed the nobleman’s son but that the nobleman’s whole family (John 4: 53) now believed in Jesus.</p>	<p>Reflect on this statement from Hebrews 11: 6; ‘Without faith it is impossible to please God’, and discuss how this refers to what the students have just learned.</p>
<p>LIVE IT</p>	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> We all need to trust and obey the Lord Jesus with all our hearts for eternal life. As a young Christian, we should appreciate that the Lord Jesus does not need to be physically present to work a miracle or answer prayer as He can work out His purposes anywhere at any time. This should encourage us in our prayer lives. 	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> The nobleman believed the Lord Jesus and started for home – he was putting his faith in action. Think of ways in which our faith can be put in action at home and at school. How does placing our faith in the Lord Jesus challenge the culture we live in today? 	B2 LEVEL 3 Lesson 3 – Miracles Topic – Blind eyes opened	B2 – LEVEL 4 Study 3 – Miracles Topic – Blind Bartimaeus
	<p>Bible Focus: <i>Mark 10: 46-52</i></p> <p>Key Verse: <i>Mark 10: 52</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. Bartimaeus had a desperate need, he knew his need and he was determined to have the Lord Jesus meet his need. 2. The Lord Jesus answered the prayer of Bartimaeus and Bartimaeus showed his thanks by following the Lord Jesus on his last trip to Jerusalem. 	<p>Bible Focus: <i>Mark 10: 46-52</i></p> <p>Key Verse: <i>Mark 10: 52</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. Just as Bartimaeus was called (verse 49) so the Lord Jesus is calling those who are spiritually blind, through the preaching of the Gospel. 2. When we trust in the Lord Jesus for salvation we should leave our sinful lives behind and follow Him.
<p>INTRODUCE IT</p>	<p>Ask the students if they know of anyone who is blind and talk about the difficulties such a person faces in life. Discuss how blind people may be helped but physical blindness cannot be cured.</p>	<p>Explain how there would have been very little, if any, support for blind people in the time of the Lord Jesus and that many were reduced to begging in order to survive. Contrast the situation today.</p>
<p>COMPLETE IT</p>	<p>Present the Bible Story Discuss and Explain:</p> <ol style="list-style-type: none"> 1. Blind Bartimaeus, a Jew, believed that Jesus was the Messiah, the Son of David. The Jews generally did not believe this to be the case. (11: 47) 2. Bartimaeus persisted in calling for help that his sight be restored, despite those who told him to be quiet. The Lord Jesus, the maker of Heaven and earth and the sustainer of the universe, ‘stood still’ (11: 49) at the cry of the beggar and gave him back his sight! 3. Bartimaeus showed his thanks by being a faithful follower of Jesus, on His last trip to Jerusalem, before His crucifixion. (11: 52) <p>Explain the Key Verse and encourage students to learn it. Complete Lesson 3.</p> <p>Show it: see FBI links in Appendix A – Blind eyes opened.</p>	<p>Present the Bible Story Discuss and Explain:</p> <ol style="list-style-type: none"> 1. Bartimaeus was both blind and poor, reminding us that we are blind to spiritual things and because of that we don’t know where we are going. 2. This may have been Bartimaeus’ last chance to meet the Lord Jesus and so he earnestly asked the Lord to: ‘have mercy on me’ (verse 47). Salvation is a personal thing as illustrated by the use of the word ‘me’. 3. Bartimaeus threw away everything that would hinder his coming to the Lord Jesus and on asking for his sight was granted this request immediately. It was a case of ‘love at first sight’ for he followed the Lord Jesus immediately. (verses 50-52) <p>Explain the Key Verse and encourage students to learn it. Complete Study 3.</p> <p>Show it: see FBI links in Appendix A – Blind Bartimaeus.</p>
<p>REVIEW IT</p>	<p>Draw their attention to the short prayer of Bartimaeus in verse 51 and the quick response to it by Jesus in verse 52. Just as Jesus asked Bartimaeus what he wanted from Him, we can learn about the urgency of trusting in the Lord Jesus and then following Him, for the opportunity to do so will not always be available to us. If Bartimaeus had missed this opportunity he may never have met the Lord Jesus again. (Look at John 8: 12)</p>	<p>Look up Matthew 4: 18-22 and find others who immediately left what they were doing and followed the Lord Jesus. Look up Ephesians 6: 10-18 and/or Colossians 3: 8-17 to find out what qualities the Lord Jesus expects in those who follow Him. From these Bible Readings make a list of six main things that should characterise a Christian’s Life.</p>
<p>LIVE IT</p>	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> 1. It must have cheered the Lord Jesus to find that a blind Jew had true spiritual sight and was prepared to follow Him. Everybody has to trust in the Lord Jesus and try to bring Him pleasure by following Him. 2. Our prayers do not have to be long. We can tell the Lord Jesus that we love Him and ask Him what He wants us to do for Him. 3. Ask everybody to make some short, relevant prayers about their own individual needs. 	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> 1. The importance of seeking the Lord Jesus for salvation, whilst He still calls and there is still time. 2. When we are followers of the Lord Jesus, His power works in our lives and we can be used to please Him by doing His will. We have finished with our old sinful lives, and have started a new life with the Lord Jesus. 3. Read John 8: 12 and consider what it means to leave the darkness of the past and to “Walk in the Light.”

When we are healed from the disease of sin through faith in the Lord Jesus, we should continually thank Him for the blessing of salvation and for all the good things we receive from Him each day.
INTRODUCE IT	<p>Explain that leprosy is a disease of the skin that still affects a large number of people in the world.</p> <p>Refer to <i>Leviticus 13: 45-46</i> and explain that lepers were regarded as unclean in the time of Moses and had to live alone. This was still the case in the days of Jesus.</p>	<p>Explain that leprosy is a very infectious skin disease which still exists in the world today. It is estimated that 20 million people have this disease. Some may have heard of 'The Leprosy Mission' – an organisation that exists to help those who have this disease.</p> <p>Refer to other Bible characters who suffered from leprosy. REVIEW IT	<ul style="list-style-type: none"> • Review the lesson by pointing out how leprosy is a picture of the sinner at a distance from the Lord Jesus. Remind everyone that sin can only be cleansed when they call on the Lord Jesus to forgive their sin and obey the Gospel. The Gospel tells of the death of Christ and His resurrection. • The lesson teaches that once we are cleansed from sin we should continually thank the Lord Jesus for our salvation. 	B3 – LEVEL 3 Lesson 1 – Bethany Topic – Two sisters	B3 – LEVEL 4 Study 1 – Bethany Topic – In the home
	<p>Bible Focus: <i>Luke 10: 38-42</i></p> <p>Key Verse: <i>Luke 10: 42</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. The Lord Jesus values our affection for Him above our service. 2. The duties of our home life, or school life, should not be allowed to interfere with prayer life and time spent in reading God's Word. 	<p>Bible Focus: <i>Luke 10: 38-42</i></p> <p>Key Verse: <i>Mark 6: 31</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. In order to mature as Christians, we must take time out of our busy lives to read God's Word so we can hear what God is saying to us. 2. We must also take time out of our busy lives to pray so that we can talk to God and thank Him for all His goodness and ask Him for His direction in our lives.
<p>INTRODUCE IT</p>	<p>Ask students to imagine how special it would be to have in our homes somebody important. Mary and Martha's home was only one of the homes Jesus visited. Everyone should be encouraged to think of some other homes Jesus visited: Luke 4: 38, Luke 7: 37, Luke 8: 51, Luke 19: 5. Our homes should be places where the Lord is honoured and obeyed.</p>	<p>Explain that Mary and Martha both loved Jesus. On this occasion they were both involved in serving Him. Martha didn't realise that in being so busy she was actually neglecting her guest – the Lord Jesus – she hadn't time to listen to Him and learn from Him. Ask students what the priorities are in their lives. Try and ensure they understand 'busyness' is not a substitute for prayer and Bible Study.</p>
<p>COMPLETE IT</p>	<p>Present the Bible Story Discuss and Explain:</p> <ol style="list-style-type: none"> 1. Whilst Martha was the 'worker' and Mary was the 'worshipper', work and worship should go hand in hand. <i>Discuss the meaning of worship.</i> 2. Although Martha wished to honour the Lord Jesus with a variety of dishes he said: 'One thing is needful', meaning one dish was enough. He was more interested in their fellowship for He spoke of Mary as having 'chosen that good part'. (verse 42) The food for our spiritual life is much more important than that of the body and the Lord Jesus wanted both Mary and Martha to understand how important it is to hear His Word. The Lord centred His attention on Prayer and Bible Study as being the two great fundamentals to blessing in our lives. 2. Jesus did not blame Martha for being concerned about housework but gently corrected her for not having her priorities right. 3. The Lord Jesus points out in verse 42 that concentration on Himself is the one thing that is needful. He prizes our love for Him above our service. The Lord wants us to move from being 'Marthas' to being 'Marys.' <p>Explain the Key Verse and encourage students to learn it. <p>REVIEW IT</p>	<p>It is interesting to note that Mary 'sat at Jesus' feet'. (verse 39) Discuss how that by taking this lowly and humble position Mary was giving the Lord Jesus the honour and respect He deserves.</p> <ol style="list-style-type: none"> 1. Ask about the ways in which we too can honour and respect the Lord Jesus in our lives. 2. The people in the following references were all found to be at Jesus' feet: For example - Matthew 28: 9, Mark 5: 22, Luke 7: 38, Luke 8: 35. Look up these verses and find out who all these people were and discuss the significance of them all being found at Jesus' feet. 	<p>Use the Key Verse to help review this Study by showing that:</p> <ol style="list-style-type: none"> 1. There is a proper time to listen to the Lord Jesus. (Mark 6: 31) 2. There is a proper time to work for the Lord Jesus. (Mark 6: 7-13) (Romans 12: 1) 3. The Lord has promised to bless those whose service is accompanied by a consistent prayer life. (John 15: 5)
<p>LIVE IT</p>	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> 1. To balance our worship and work in our daily lives? 2. To live in a way that brings Him honour and pleasure? 3. To be more concerned about 'serving well' than 'serving much'? 4. To make sure that work does not come before reading our Bibles and prayer times? 5. Think about the place and priority Jesus should have in our lives. 	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> 1. To ensure we balance our time by making our prayer times and Bible Study the daily priorities. 2. To ensure our service for the Lord Jesus does not degenerate into mere business, void of devotion to Him.

	<p>B3 – LEVEL 3 Lesson 2 – Bethany Topic – Sorrow turned to joy!</p>	<p>B3 – LEVEL 4 Study 2 – Bethany Topic – At the tomb</p>
	<p>Bible Focus: <i>John 11: 1-7 and 17-44</i> Key Verse: <i>John 11: 25</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. The Lord Jesus is the only one who could bring the dead back to life again. 2. The Lord Jesus is the only one who can give eternal life to sinners, who are described by the apostle Paul as: 'dead in trespasses and in sins'. (<i>Ephesians 2: 1</i>) 	<p>Bible Focus: <i>John 11: 1-44</i> Key Verses: <i>John 11: 25-26</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. The raising of Lazarus from the dead by the Lord Jesus was an essential display of His power over death and the resurrection is a crucial belief of the Christian faith. Jesus had not only the power to raise Himself (<i>John 10: 18</i>) but to raise others. 2. Jesus wept openly (<i>verse 35</i>) showing that He cares enough to weep with us in our trials and sorrows.
<p>INTRODUCE IT</p>	<p>Ask students to remember some of the miracles which Jesus did, and discuss which of the miracles might be considered the greatest. This was the last miracle in the public ministry of the Lord Jesus. Some of the Jews questioned why the Lord Jesus allowed Lazarus to die, since He was able to heal the blind man. (<i>verse 37</i>) He could have done so, but by raising Lazarus from the dead, He was showing the truth and power of His words in <i>verse 25</i>: 'I am the resurrection and the life.'</p>	<p>Introduce this study by explaining that the raising of Lazarus from the dead, the last of seven miracles in John's Gospel, convinced many of the Jews present of the fact that He was the Son of God and they believed in Him. (<i>11: 45</i>) However, some of the Jews present who also witnessed this miracle would not believe and reported back to the Pharisees what had happened in Bethany. They were probably seeking to put the Lord Jesus to death. (<i>11: 46</i>) Advise students that it is still the same today – There are those who accept that the Lord Jesus was God and could do miracles and there are those who deny this and dispute the fact that He did miracles.</p>
<p>COMPLETE IT</p>	<p>Present the Bible Story Discuss and Explain:</p> <ol style="list-style-type: none"> 1. The home of Mary, Martha and Lazarus in Bethany was one of the homes Jesus loved to be in. Students could be asked if the Lord Jesus is in their homes/hearts/lives <i>Revelation 3: 20</i>. 2. Just as the Lord Jesus raised Lazarus from death to life, He can give those, who are dead spiritually, new spiritual life which will last forever. 3. This story shows us that the Lord Jesus is a sympathetic Saviour; 'Jesus wept' (<i>verse 35</i>) and the Jewish people around that day could see how much Jesus loved Lazarus. (<i>verse 36</i>) He also loved them but many of them did not understand this. 4. When Jesus called Lazarus from the grave, he had new life; he was 'loosed' from the grave-clothes (<i>verse 44</i>) and was a living witness to the power of the Lord Jesus in his life. <p>Explain the Key Verse and encourage students to learn it. We should never delay in doing what we can for the Lord Jesus for we do not know how long or how short a time we will have to serve Him. 	<p>Bible Focus: <i>John 11: 55-57; 12 :1-11</i> Key Verse: <i>Psalms 95: 6</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> There is nothing too valuable to give to the Lord Jesus Christ. He is worthy of our very best! If we love the Lord Jesus we will walk in obedience to the instructions He has given us, as set down in the New Testament.
INTRODUCE IT	<p>Explain how Bethany was a place of special memories to the Lord Jesus. Remind students that in the home of Mary and Martha, the Lord Jesus taught the importance of worship. In Lesson 2 Jesus showed he was ‘the Resurrection’ when He brought Lazarus back from the dead. In this lesson the Lord Jesus is present at a meal in this Bethany home.</p>	<p>This incident in <i>John 12: 1-11</i> is generally thought to be the same one as in <i>Mark 14: 3-9</i>. The Lord Jesus praised Mary for her unselfish act of worship in anointing His feet with this very expensive perfume. Perfumes and spices played an important role in the burial of the dead – read <i>Genesis 50: 2-3</i>. Jesus replies to Mary’s act of devotion in <i>verse 7</i> by indicating that it was a preparation for His burial.</p>
COMPLETE IT	<p>Present the Bible Story Discuss and Explain:</p> <ol style="list-style-type: none"> The privilege that was granted to Mary, Martha and Lazarus of being in the company of the Lord Jesus, having a meal and enjoying friendship with Him. When Judas complained that the ointment should have been sold and the money given to the poor (<i>verse 5</i>), the Lord Jesus reminded him that there would always be poor people in the world to whom others could show kindness. However, the opportunity to use this oil on the Lord Jesus would be very limited as He was on His way to the cross to die for sinners. The chief priests wanted to put Lazarus to death. (<i>verse 10</i>) Suggest this may have been because they denied the resurrection themselves and wanted to get rid of Lazarus because he was the evidence that the Lord Jesus was the resurrection and the life. <p>Explain the Key Verse and encourage students to learn it. The Anointing (<i>verse 3</i>) showed Mary loved the Lord Jesus for love is measured by sacrifice. The Lord Jesus is pleased to use our faith, love, worship, service and possessions, for His honour and glory if we belong to Him.
INTRODUCE IT	<p>Introduce the idea that “Palm Sunday” did not happen by chance. It had been prophesied years before. Refer to Zechariah 9: 9 where the triumphal entry of the Lord Jesus was predicted about 500 years before it actually took place.</p>	<p>Introduce this Study by pointing out that the Lord Jesus wept over Jerusalem (verses 41-42) for they had missed their opportunity to receive Him as their Messiah which would have meant peace for them. Now it was too late and the Lord Jesus warns of disastrous consequences in the years ahead for the Jewish nation. As the Lord Jesus predicted in 30AD, (Luke 19: 43-44) the Roman General, Titus, laid siege to Jerusalem (AD70) and destroyed the Temple and massacred its inhabitants. The Lord Jesus visited Jerusalem with the offer of salvation but they had no room for Him and so disaster would come.</p>
COMPLETE IT	<p>Present the Bible Story Discuss and Explain:</p> <ol style="list-style-type: none"> The triumphal entry (verses 28-40) of the Lord Jesus at the beginning of the week of His crucifixion. The disciples burst out in praise. (verse 37) Note they cried “peace in Heaven” and not “peace on earth” because the death of the Lord Jesus and His ascension would bring “peace in Heaven.” There would be no “peace on earth” for they were about to kill the Lord Jesus – the Prince of Peace. Jesus weeps over Jerusalem because of its people’s rejection of Him and now it was too late – they had missed their opportunity. (verse 42) Jesus indicates that in AD 70, under Titus, a Roman General, Jerusalem and its people would be destroyed because they did not know ‘the time of their visitation’ (verse 44), meaning the Lord had offered them salvation but they did not want it. <p>Explain the Key Verse and encourage students to learn it. Those who witnessed Jesus’ victory parade into Jerusalem correctly saw Jesus as the fulfilment of this prophecy predicted more than 500 years before it happened. (Luke 19: 35-36) The Time of the Entry into Jerusalem – Jesus chose a time when all Israel would be gathered at Jerusalem for the Passover Feast. The Hopes of the People – The people were praising God for giving them a king whom they expected to be a national leader. However, when they realised He was establishing an eternal kingdom they turned against Him. (Luke 19: 38) The Response of the Pharisees – the Pharisees objected to Jesus being publicly honoured and asked him to keep His people quiet and Jesus rebukes them for being harder than stones! REVIEW IT	<p>Reflect on the story and discuss the importance of trusting in the Lord Jesus as personal Saviour now. Refer to 2 Corinthians 6: 2, as tomorrow could be too late. Also consider how that judgement will also fall on this world, as under Titus in AD 70, and those who have no time for the Lord Jesus now will be lost.</p>	<p>Review this Study by setting it in the context of Jesus’ life. Jerusalem was the centre of religious and political power and home to the Jews and Roman Governor. Many of the most important events of Jesus’ life happened here including the crucifixion and resurrection. His last week was all spent here.</p>

Make the link that it was possibly the same angelic beings in Luke 24: 4 who told the women at the tomb about the resurrection. 2. Compare the Lord’s promise in John 14: 3 with Acts 1: 11 and explain both the accuracy and inspiration of the Scriptures. 3. Read 1 Thessalonians 4: 16-17 and explain the very special insight Paul had to the Second Coming. Explain as follows: There is a sound to hear – shout and trumpet; A sight to see – the Lord Himself; A miracle to feel – caught up; A meeting to enjoy – ‘meet the Lord in the air’; And a comfort to experience – ‘with the Lord’ for ever. <p>Explain the Key Verses and encourage students to learn them. <p>REVIEW IT</p>	<p>Turn to the following verses and show how the Lord spoke of His coming as ‘a thief in the night’ because nobody knows when a thief will come. Hence the need to have faith in Him for our salvation and to be ready and waiting for His return. Matthew 24: 44, Luke 12: 20.</p>	<p>The Second Coming holds no fear for those who are saved and ready to meet Him. The Bible teaches that Christians should look forward to His appearing and live in a manner that pleases Him. Refer to Titus 2: 11-14, and 1 John 3: 2-3.</p>
<p>LIVE IT</p>	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> 1. Everybody needs to consider whether they are ready to go to Heaven, if the Lord was to return now. 2. 	<p>Bible Focus: <i>Acts 1: 7-9; Acts 2: 1-13</i> Key Verses: <i>John 14: 16-17</i> We are learning that:</p> <ol style="list-style-type: none"> In the early days of the Christian Church, the Lord commanded the apostles to go and preach the Gospel locally and world-wide. Just as the Holy Spirit came and lived in the hearts of the apostles so those who trust the Lord Jesus will have the Holy Spirit’s presence and power to help them in their Christian lives. 	<p>Bible Focus: <i>Acts 6: 1-15; 7: 54-60</i> Key Verse: <i>Acts 6: 8</i> We are learning that:</p> <ol style="list-style-type: none"> It is people of the calibre of Stephen who change the world for God. It is only true believers, like Stephen, who are determined to proclaim the truth of the Gospel and are more concerned about what pleases God than with what men have to say or even do to them.
INTRODUCE IT	<p>Ask the students to imagine what it must have been like for the disciples, after Jesus had ascended, and when the Holy Spirit came at Pentecost. Explain how the Acts of the Apostles contains two main themes:</p> <ol style="list-style-type: none"> The Lord Jesus, now ascended, is working through those on this earth who have trusted Him by His Holy Spirit. The resurrection and exaltation of the Lord Jesus in Heaven still formed the core of the message when this book was written. 60-67 AD. 	<p>Discuss what is meant by persecution and think about modern day examples. Explain that in the early days of Christianity the religious leaders had considerable influence in government and the Christians were prepared for their opposition but always reacted with dignity. The Christians respected and obeyed the government of the day unless men’s laws contradicted the laws of God.</p>
COMPLETE IT	<p>Present the Bible Story Discuss and Explain:</p> <ol style="list-style-type: none"> The Key Verse in this book is <i>Acts 1: 8</i> and the whole of the Acts is modelled on it with regard to the geographical spread of the Gospel: Witnesses in Jerusalem – <i>Chapters 1-7</i> Witnesses in Judea – <i>Chapter 8: 1-4</i> Witnesses in Samaria – <i>Chapter 8: 5-25</i> Witnesses in the World – <i>Chapter 8: 26</i> The Day of Pentecost (<i>2: 1</i>) was the day on which the Holy Spirit came to indwell believers permanently – He came to stay. They were filled with the Holy Spirit (<i>2: 4</i>). When we trust the Lord Jesus we are indwelt by the Holy Spirit but to be filled by the Holy Spirit, we must read our Bibles, spend time in prayer and live in obedience to the Lord. The Lord Jesus laid the perfect foundation in the finished work of the cross and now was empowering believers, through His Holy Spirit, to be witnesses and helpers in spreading the Good News of His death, the resurrection and the message of salvation for all. The Holy Spirit is referred to as the ‘Comforter or Counsellor’ in the Key Verse <i>John 14: 16</i> showing the Lord Jesus is also our advocate or helper. <p>Explain the Key Verses and encourage students to learn them. However, when Stephen appeared before the Sanhedrin, a Jewish court, they heard the false charges against him; and they saw the glory of the Lord Jesus reflected in Stephen’s face. (<i>Acts 6: 15</i>) Stephen gave a very masterful defence (<i>Acts 7: 1-53</i>) and delivered a scathing attack on the Jewish leaders, charging them with resisting the Holy Spirit and eventually being responsible for the crucifixion of the Lord Jesus. Stephen must have known his life was at stake but would rather die than betray his Lord. As soon as he testified to seeing ‘the heavens opened’ (<i>Acts 7: 56</i>) the mob dragged him outside the city and stoned him to death. REVIEW IT	<p>Dr Luke, the writer of Acts, opens by referring to ‘all that Jesus began to do and to teach’ in <i>Acts 1: 1</i>. In <i>Acts 28: 31</i> Paul is still preaching the good news of the Gospel. 	<p>Bible Focus: <i>Acts 6: 1-5, 8-15; 7: 54-60</i> Key Verse: <i>Matthew 5: 44</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. Stephen was faithful in the little things before being used by God, as illustrated in the serving of tables (<i>Acts 6: 2</i>), before doing great wonders and miracles. (<i>Acts 6: 8</i>) 2. Stephen is like the Lord Jesus in that he was a faithful and blameless man who was prepared to lay down his life for the sake of the Gospel. 	<p>Bible Focus: <i>Acts 6: 5; 8: 4-17; 8: 26-40.</i> Key Verse: <i>Acts 8: 35</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. Philip was a successful preacher of the Gospel who was willing to leave a revival in Samaria to go in the desert to Gaza to preach the Gospel to one needy person. 2. Once he believed in the Lord Jesus as his own Saviour, the Ethiopian was eager to obey the Lord in baptism and had great joy in his heart as he travelled home.
INTRODUCE IT	<p>Think about what persecution for your faith means and give modern examples. Explain how that as the early Christians moved forward with the Gospel they ran into opposition from the government and religious leaders of the day. Whilst they respected and obeyed their rulers, they were prepared to disobey men’s laws when they contradicted God’s laws, even to the point of being martyrs.</p>	<p>Philip was one of the seven men chosen in <i>Acts 6: 5</i> to look after church business. He later became an evangelist and brought the Gospel to Samaria. Whilst he was in the midst of a revival in Samaria, the Lord called him to go into Gaza, desert country, to meet a needy stranger from Ethiopia, with a view to using Philip in both this man’s conversion and baptism. Once this was achieved Philip was miraculously removed and resumed the preaching of the Gospel in other places.</p>
COMPLETE IT	<p>Present the Bible Story Discuss and Explain:</p> <ol style="list-style-type: none"> 1. Stephen’s character is described as a Christian who was full of the Holy Spirit, with a good and honest life, (<i>Acts 6: 3</i>) full of faith, power (<i>Acts 6: 8</i>) and wisdom (<i>Acts 6: 10</i>) and who was active in the Lord’s work. (<i>Acts 6: 8</i>) 2. When arrested wrongly by the Jewish leaders, Stephen defended himself by reminding his accusers that not only had the Jewish nation continually rejected the Lord Jesus but their ultimate crime was their crucifixion of the ‘Just or Righteous One’. (<i>Acts 7: 52</i>) 3. Although surrounded by an enraged mob who stoned him to death, Stephen like the Lord Jesus commends his spirit to the Lord. (<i>Acts 7: 59</i>) and prays for his murderers and ‘falls asleep’. (<i>Acts 7: 60</i>) The word ‘sleep’ here refers to his body which is ‘sleeping’ until the Lord returns for His Church. <p>Explain the Key Verse and encourage students to learn it. He turned to the Bible to find help. (<i>8: 27-28</i>) 3. Philip, directed by the Lord, arrived at the appropriate time and explains Isaiah 53 to him. He showed him how the chapter is all about the life and death of the Lord Jesus. (<i>8: 34-35</i>) 4. REVIEW IT	<p>Ensure the students learn the Key Verse and discuss with them how it summarises this lesson and how it is related to both the Lord Jesus and Stephen in that both prayed for their murderers (<i>Luke 23: 34 and Acts 7: 60</i>) and both committed their spirits to God. (<i>Luke 23: 46 and Acts 7: 59</i>)</p>	<p>Connect this study with <i>Isaiah 53</i>. 	<p>Bible Focus: <i>Acts 8: 1-5; 26-40</i> Key Verse: <i>Acts 16: 31</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> Philip’s prompt and unquestioning obedience resulted in the Lord using him to bring the Ethiopian to the Lord. The Ethiopian went on his way rejoicing as a result of his obedience to the Lord. 	<p>Bible Focus: <i>Acts 10: 1-8; 23-48</i> Key Verse: <i>Acts 10: 43</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> The Gospel is for all, Jews and Gentiles alike. Cornelius and his household were amongst the first Gentiles to become believers in the Lord Jesus.
INTRODUCE IT	<p>Explain that sometimes God wants us to do something that is completely different to what we would expect to do.</p> <p>Explain that Philip was seeing a great work being done for the Lord in Samaria. However, he was directed by the Lord to leave the place where many were being converted and go to the desert area of Gaza to be of help spiritually to only one man, namely the man from Ethiopia.</p>	<p>Simply explain the situation between Jews and Gentiles, and how normally a Jew would have little contact, and certainly not go in the house of a Gentile.</p> <p>Cornelius was a Roman officer (a Gentile), a centurion, who lived in the town of Caesarea and was a prominent man in terms of his military career. Although he lived an upright life he did not know the Lord Jesus. However, he was earnestly searching for forgiveness of his sins and God saw to it that he came into contact with Peter who preached the Gospel unto him and his family.</p>

The Ethiopian learnt from Philip that the One of whom Isaiah wrote was the Lord Jesus who died on the cross to be his Saviour and the Ethiopian realised he was a sinner and received the Lord Jesus Christ as his Saviour through believing in Him. (<i>Acts 8: 34-38</i>) Philip explained the privilege of being baptised to the Ethiopian and when they came near water, Philip baptises him. (<i>10: 24</i>) Peter addressed the company by telling them at the outset that God did not respect persons – salvation was for both Jews and Gentiles. (<i>Acts 10: 34-35</i>) Peter preached to those present about the life, death and resurrection of the Lord Jesus Christ and finished by telling them if they believed in Him, they would receive forgiveness of sins. REVIEW IT	<p>Connect this lesson with <i>Isaiah 53</i> and discuss verses 7 and 8 in particular. Like a sheep that is silent before its shearers, the Lord Jesus endured the cross. He was not given a fair trial and was cut off in the prime of His life and crucified for our sins.</p>	<p>Consider Peter’s position as a Jew entering a Gentile’s house. INTRODUCE IT	<p>This lesson is set in Caesarea, a coastal town. Cornelius was a Roman military officer there and as a centurion was in charge of one hundred men. He was actually attached to one of the Italian regiments there. However, he was a man who was seeking after God. He was a Gentile, but up to this point Peter had only brought the Gospel to his fellow Jews.</p>	<p>We are first introduced to Barnabas in Acts 4: 36. The meaning of his name is “the son of encouragement”. He came from the island of Cyprus and the Bible tells us he sold land and brought the money and gave it to the Apostles. He was living up to his name in that his generosity would have been a great encouragement to the Apostles.</p>

The day after, Peter had a vision on the flat roof of Simon’s house, where he had gone to pray. God revealed to Peter that the Gospel was not limited to the Jews only but was for the Gentiles as well. God only sees two classes of people – those who are His and those who are not! Barnabas was sent by the Church in Jerusalem to encourage the new Church in Antioch and whilst he was there many turned to the Lord. He encouraged the new Christians at Antioch to ‘be true to the Lord.’ (<i>Acts 11: 23</i>) Perhaps there never were wiser words spoken to new converts! 4. 	<p>Bible Focus: <i>Genesis 37: 1-11</i> Key Verse: <i>Genesis 37: 8</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> When Joseph was only a teenager, seventeen years of age, God spoke to him in dreams and revealed to him that He had a plan for his life. The sin of jealousy is displeasing to God and can develop into more serious sin and therefore should be avoided. 	<p>Bible Focus: <i>Genesis 29: 1-30</i> Key Verse: <i>Galatians 6: 7</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> Jacob has deceived his father and brother and had to flee for his life to his uncle in Haran. God is in full control of everything and His timing is perfect. If we sow sinful acts in our lives, we can expect to reap the consequences.
INTRODUCE IT	<p>Remind the students of Joseph’s predecessors, Abraham, Isaac, and now we come to Jacob and his family. Joseph was one of Jacob’s sons and his mother’s name was Rachel. He was a shepherd by occupation. He had a younger brother, called Benjamin, and it was at Benjamin’s birth that Joseph’s mother, Rachel, died. Jacob had had four wives, but Rachel was his favourite, and therefore her two sons, Joseph and Benjamin, were also his favourite sons.</p>	<p>Remind the students of Jacob’s predecessors. Jacob was the son of Isaac and Rebekah and Esau was his brother. He lived in Beersheba and fled to Haran in Mesopotamia because Esau had planned to kill him, for robbing him of the birthright. (Summarise the story) Jacob was 77 years old when he left Beersheba; he spent 20 years serving his uncle Laban, 33 years back in Canaan and the last 7 years of his life in Egypt. The journey from Beersheba to Haran was about 500 miles.</p>
COMPLETE IT	<p>Present the Bible Story</p> <p>Discuss and Explain:</p> <ol style="list-style-type: none"> Joseph was hated by his brothers because he had told Jacob about their wrong doings and Jacob loved him because he was Rachel’s son, and had been born when Jacob was old. (37: 2) The coat of many colours was really a long robe with sleeves which showed Jacob’s special affection for Joseph but stirred up jealousy, hatred and envy in his brother’s hearts. (37: 3 & 4) In Joseph’s first dream, the eleven sheaves bowing down to the twelfth was a prophecy that one day his brothers would bow down to him. The second dream was also prophetic of his brothers bowing down to him along with Jacob (the sun) and Leah (his step mother) (the moon) as Rachel had died. He then had to serve 7 more years. (Genesis 29: 15-30) Jacob had cheated his father and brother and now he was cheated by his uncle. REVIEW IT	<p>Review the lesson with a quiz asking questions which will help students to answer the questions asked in Bibletime Lesson 1.</p>	<p>Use a map to help students visualize in their minds the journey Jacob made from Beersheba (on the West Bank) to Haran (on the Euphrates River) in today’s Syria. You may wish to draw their attention to the ongoing conflict today in the Middle East in places such as Syria, Jordan and Iraq all because people prefer to pursue the power of their own wills instead of seeking the power of God’s will in their lives. Jacob’s self-will is still at work in people’s lives today – all because of the fact we were born sinners!</p>

When we believe in the Lord Jesus as our Saviour, He will work out His plan for us. We put this into action from what He teaches us from the Bible and need to pray daily that He will guide us in ways pleasing to Him. The sin of jealousy is to be avoided in our lives; The Bible refers to it as: ‘cruel as the grave’. <p>INTRODUCE IT</p>	<p>Revise the story of Joseph so far and remind the students of the tensions in Jacob’s family and the reasons for them.</p> <p>In <i>Genesis 27</i>, Jacob tricked his father Isaac into blessing him ahead of Esau. Also refer to where the Lord (i) appears to Moses out of the burning bush; (<i>Exodus 3: 1-22</i>) (ii) appears to Moses in the two incidents when the rod becomes a serpent and his hand is covered in leprosy; (<i>Exodus 4: 1-17</i>) (iii) appears to Isaiah with a request and Isaiah’s response; (<i>Isaiah 6</i>) ((iv) appears to Saul on the road to Damascus. (<i>Acts 9: 1-19</i>) Emphasize that all of these people had very important meetings with the Lord and very memorable experiences as a result.</p>

<p>REVIEW IT</p>	<p>Discuss how that God was in control in this story, for the Ishmaelite’s, although they were unaware, were providing free transport for Joseph to Egypt to sell him to Potiphar, one of Pharaohs officers.</p> <p>It was in Egypt that God was going to richly bless Joseph and he would become second in command of all Egypt.</p> <p>Explain that <i>Psalms 76: 10</i> shows God can make the wrath of man to praise Him and what doesn’t please Him He restrains.</p>	<p>Review this Study by asking questions which will help students fill in the answers to the questions asked in Study 2.</p> <p>Draw their attention to the meanings of the following:</p> <p>Mahanaim (<i>verse 2</i>) – two hosts or double camp. Jacob (<i>verse 27</i>) – supplanter or ‘con man’. Israel (<i>verse 28</i>) – one who strives with God or a prince of God. Peniel (<i>verse 30</i>) – the face of God.</p>
<p>LIVE IT</p>	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> 1. Discuss whether students have felt hatred or jealousy in their hearts towards others? If so, all need to confess their sin to the Lord Jesus and ask Him to give them the power to live free of evil. See <i>1 John 1: 7</i> 2. Learn the Key Verse <i>Romans 6: 12</i>, and encourage the students to make it a guiding principle in their lives. 	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> 1. Jacob was left alone with God. (<i>verse 24</i>) As sinners we must have personal dealings with God in order to obtain salvation. Everybody needs to meet with God to have their sins forgiven! 2. The angel wrestled with Jacob (<i>verse 24</i>) and stripped him of his pride and hypocrisy. Only God can do that for any of us. 3. Jacob had his name changed. We all need our names to be changed to Christian? Believer? Then we shall have a changed attitude, a changed standing before God, a changed relationship with God, and a changed walk before God.

	B6 – LEVEL 3 Lesson 3 – The life of Joseph Topic – The faithful prisoner	B6 – LEVEL 4 Study 3 – Jacob and his family Topic – At Bethel
	<p>Bible Focus: <i>Genesis 39: 1-6; 19-23</i> Key Verse: <i>Genesis 39: 21</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. Although Joseph was far away from home in Egypt, he remained faithful to God even in the most difficult of situations. 2. God had His eye on Joseph and had a great future in store for him. (<i>Romans 8: 28</i>) 	<p>Bible Focus: <i>Genesis 35: 1-15</i> Key Verse: <i>Psalms 37: 7</i></p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. As Jacob prepares to meet Esau, he needs God's constant help. 2. As Christians we may wander and stray from God's path for our lives, but He never leaves us nor forsakes us. 3. As Christians, we need God's help to deal with our failures in the past and the difficulties and trials we may face in the future.
INTRODUCE IT	<p>Discuss the injustice which puts people behind bars when they are innocent. Explain how that happened to Joseph.</p> <p>Explain that in some countries, today, believers are in prison. They are not in prison because of anything they have done wrong but because they are prepared to be faithful to God, in trusting and obeying what they have learned from the Bible, as to how they should behave as Christians.</p>	<p>Introduce the Study by drawing attention to the fact that those who trust in the Lord are sure of His protection – there is safety in the Lord.</p> <p><i>Psalms 91</i> and <i>Romans 8</i>, illustrate this protection. The following verses are worth referring to by way of introduction and background: <i>Psalms 91: 2, 15</i>; and <i>Romans 8: 31</i>.</p>
COMPLETE IT	<p>Present the Bible Story</p> <p>Discuss and Explain:</p> <ol style="list-style-type: none"> 1. Joseph was sold by the Ishmaelite's as a slave to Potiphar, an official in Pharaoh's palace. (<i>39: 1</i>) 2. Potiphar's wife told lies about him, he was falsely accused, and he was thrown into jail. (<i>39: 7-20</i>) 3. Joseph behaved so well in prison that the jailer put him in charge of the prison. (<i>39: 21-23</i>) <p>Explain the Key Verse and encourage students to learn it. God commands Jacob to fulfil the vow he made about thirty years earlier, in <i>Genesis 28: 20-22</i>, and returns to Bethel. 2. Jacob orders his family to put away the foreign gods and clean their clothes and when they did so they became a terror to their heathen neighbours. (<i>Genesis 35: 2-5</i>) 3. He builds an altar at 'El Bethel', and worships God who protected him from Esau. (<i>Genesis 35: 6-7</i>) 4. God meets with Jacob at Bethel again and renews the covenant He made with Abraham and Isaac. (<i>Genesis 35: 11-13</i>) <p>Explain the Key Verse and encourage students to learn it. Complete Study 3.</p> <p>Show it: see FBI links in Appendix C – At Bethel.</p>
REVIEW IT	<p>Review the lesson by asking students to explain how God defeats the purpose of Satan for Joseph's life and how that Joseph comes out on top as a blameless, trustworthy and responsible believer.</p>	<p>Rachel had named her child Ben-oni which means 'son of my sorrow' but Jacob named him Benjamin, meaning 'son of my right hand'. Discuss how that this Study pre-pictured another birth, namely that of the Lord Jesus Christ in that He would endure the sorrow of the cross and then be exalted to God's right hand in Heaven. Just as Bethel was a memorable experience for Jacob so Calvary is a memorable experience for the Lord Jesus Christ and those who are trusting in Him.</p>
LIVE IT	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> 1. Consider what this lesson has taught us about how the Lord Jesus Christ can take care of us, even in the most difficult of circumstances if we trust and obey Him? 2. As a Christian, we are not immune from trials or difficulties. How should we react when they come our way? 3. Think of other people in the Bible who were imprisoned for their faith. 	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> 1. We should seek God's blessing on our lives by reading the Bible and praying for God's daily guidance. 2. Ask students to discuss what has been the most important 'Bethel experience' in their lives. 3. As a Christian, when we are in difficulties, we should make sure we hold on to the latter part of <i>Hebrews 13: 5</i>, - 'I will never leave you, nor forsake you.'

	B6 – LEVEL 3 Lesson 4 – The life of Joseph Topic – The new leader	B6 – LEVEL 4 Study 4 – Jacob and his family Topic – In Canaan
	<p>Bible Focus: Genesis 41: 14-49 Key Verse: Genesis 41: 32</p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. Joseph gave God the credit for his ability to interpret the two dreams and because of this humility God entrusted him with responsibility. 2. Joseph was faithful to God, not only in the prison but also in the palace, and God looked after him. 	<p>Bible Focus: Genesis 37: 1-36 Key Verses: Ephesians 4: 31-32</p> <p>We are learning that:</p> <ol style="list-style-type: none"> 1. Favouritism can lead to jealousy and jealousy can lead to very serious sin and consequences in people's lives – both on the part of the jealous person and the victim. 2. Although his brothers had to live with their sin for many years, eventually Joseph reveals himself to them before his father's death and there is forgiveness and reconciliation. (Genesis 50: 20)
<p>INTRODUCE IT</p>	<p>Recall the story so far, and explain that God was working His purposes out in Joseph's Life. Point out that because of Joseph's good testimony, (verse 39) he was promoted as second in command of the country. In verse 42 the ring shows he has been taken from the position of a slave to the position of a king's son; given the clothes of fine linen instead of a torn robe; given a gold chain signifying his rise to authority; and he's given a chariot in verse 43 showing he is no longer a captive but enjoying liberty in Pharaoh's kingdom. He has moved from a place of degradation in the pit, when he was 17 years old, to a place of exaltation, when he was 30 years old. He was a very young man in a very responsible job!</p>	<p>Introduce Jacob's family and their present situation. Set the background to this Study by referring to other Bible readings:</p> <ol style="list-style-type: none"> (i) Psalm 56 – Discuss that for Christians, God is looking after them regardless of how the devil may be using others to attack. (ii) Matthew 5: 43-48; Ephesians 4: 22-32 – Encourage students to adopt the Christ-like attitude referred to in both of these readings in times of persecution or opposition from those who do not love the Lord or His followers, even though it may be very difficult.
<p>COMPLETE IT</p>	<p>Present the Bible Story</p> <p>Discuss and Explain:</p> <ol style="list-style-type: none"> 1. Pharaoh has dreams and Joseph is brought from the prison to interpret the dream. (41: 14-16) 2. Joseph interprets Pharaoh's two dreams – seven years of plenty and seven years of famine. Pharaoh makes Joseph the second in command and Joseph administers the corn programme. (41: 17-40) 3. The abundance of corn was so great in the fruitful years that it was impossible to keep a record of it. When the seven years of famine came, there was extra corn available for the starving people of Egypt and further afield. (41: 46-49, 53-55) <p>Explain the Key Verse and encourage students to learn it. Complete Lesson 4.</p> <p>Show it: see FBI links in Appendix C – The new leader.</p>	<p>Present the Bible Story Discuss and Explain:</p> <ol style="list-style-type: none"> 1. Joseph had dreams and was despised by his brothers. (37: 5-11) 2. Joseph was given a coat, or tunic, of many colours by Jacob as a sign of his affection for him but this provoked more hatred from his brothers. (37: 3-4) 3. Joseph's dreams indicated that his eleven brothers and Leah and Jacob (Rachel was dead) would all bow down to him in a future day. 4. Joseph's brothers were angry and conspired to kill him and sold him to the Ishmaelite's (Midianites). Unconsciously they were carrying out God's plan for Joseph's future promotion. (37: 19-28) 5. His brothers callously returned Joseph's coat, dipped in blood to Jacob who assumed Joseph was dead and mourned for the son he so loved. Jacob 'the deceiver' is now 'the deceived'. (37: 31-35) <p>Explain the Key Verses and encourage students to learn them. Complete Study 4.</p> <p>Show it: see FBI links in Appendix C – In Canaan.</p>
<p>REVIEW IT</p>	<p>Ask students to imagine they are Joseph and they are writing back to his father Jacob, telling him about his new job! What might he put in the letter?</p>	<p>Review this Study by asking questions that:</p> <ol style="list-style-type: none"> (i) Ensure students understand that God is in control of all circumstances in their lives and how He does not want them to return 'evil for evil'. (ii) Ensure they are helped in answering the questions in Study 4.
<p>LIVE IT</p>	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> 1. How does this story encourage us? 2. What have you learned about being obedient and faithful to God, in your daily life? 3. What can you expect by way of blessing? 	<p>How does the lesson challenge us:</p> <ol style="list-style-type: none"> 1. Discuss whether Ephesians 4: 32 is a guiding principle in life. 2. Since the Lord Jesus shows no partiality to those who are good or evil, as Christians do we aim to treat everybody fairly and graciously? (Matthew 5: 44-45)

Guidance for Teachers Marking Lessons

Level 3 lessons

- The students cannot complete these lessons without referring to the Bible and may have to refer to one or more Bible Readings.
- Questions are in various forms including cross words and word grids, missing words, etc.
- They have been particularly designed to be answered by the NIV, Good News, RSV, New King James Version, Authorised Version, and Common English Bible versions.
- Our aim is that all students, whatever Bible they possess, will be able to answer the questions.
- Twenty marks are allocated for each week with a maximum of 80 for the month, when the lessons are completely correct.
- Level 3 - Usually 1 mark per answer required, as indicated.

Level 4 Studies

- These are a harder edition to Level 3 lessons.
- More complex questions and answers required.
- Twenty marks per week and 80 for the month, when the lessons are completely correct and the questions have a full answer.

MARKING HINTS

The teachers are asked, first to:

- Check through each lesson and mark the answers correct or incorrect.
- Award the necessary points as instructed.
- Always mark in a contrasting colour, and TICK each correct answer.
- Put in the correct answer, where necessary and correct any spelling errors, though NO marks are deducted for these.
- Give fewer marks for partially correct answers.
- Add the total for the month and write this on the back page in the space provided.

It is necessary to be fairly generous and to do everything possible to encourage the students with their Bible Study. It is helpful, where possible each month for the teacher to write a word of encouragement to the student and there is a space provided on the lesson sheet for this to be done. Comments can be made about good colouring, neatness, marks attained, the student's understanding of the lesson, etc.

We try to keep comments as varied as possible. Questions, statements, observations, encouragements etc. can all be used to maintain variety. It requires thought, but it is important to keep the interest of the student alive. If the same statement or question is being repeated every month, it loses its impact.

LEVEL 3

General comments

"Great work! You obviously read the questions very carefully. I especially liked your answer to the last question which was very well worded."

"Hi Jonathan. Thank you for all your hard work. It was great that you managed nearly all the answers. I have filled in the missing ones for you."

Spiritual comments

"Moses had some difficult times with the children of Israel, but God didn't leave him to sort out all the problems by himself."

"Joseph never forgot that his father had taught him to love God. He remembered this even when he was far away from home."

"Bartimaeus was determined to get to the Lord Jesus. He wasn't disappointed for he was now able to see and he now knew the Lord Jesus was someone really special."

LEVEL 4

General comments

"Another excellent set of lessons. You seem to have a good grasp of these Bible stories and I really hope you have enjoyed them. Thank you for taking the time to do the lessons carefully. It would be easy to rush through them, so I appreciate all your effort."

"A very good try, Rachel. I think by your answers, you may not fully have understood the study. Perhaps you could try reading it through again."

Spiritual comments

"Parables are sometimes called earthly stories with heavenly, or deeper, meaning. Can you think what the deeper meaning is in the parable in study 3?"

"Stephen died a cruel death, and yet he was not afraid to die, for he knew that God was still in control, and he knew he would be with the Lord Jesus in Heaven."
